Academy pleased with its progress

RESULTS for Swindon Academy, which has absorbed Pinehurst Junior School, were released for the first time from the Department for Children, Schools and Families.

Half of the children who took the Key Stage 2 test achieved level 4 and above in English, 53 per

cent, achieved that mark in maths, and 73 per cent reached that level in science.

Swindon Academy headteacher Jan Shadick said: "We are very pleased to have made such significant progress on the previous year results and we look forward to continued success."
