

Swindon Academy INSPIRE Program

The INSPIRE Program encourages students to seek opportunities beyond the classroom that build character and broaden experience. By engaging in diverse activities, students gain the insight and confidence needed to make informed choices about their future aspirations and careers.

Students in KS3, KS4 and 5 in addition to lessons, will have:

1. Participated in a sporting activity for at least half a term.
2. Participated in a performance activity for at least half a term.
3. Committed to other character enrichment activities for at least half a term.
4. Helped others by participating in a social action campaign or by volunteering my time.
5. Attended cultural, artistic or sporting events.
6. Performed/represented my Academy/College/Year Group by taking part in a cultural, artistic, charitable or sporting event for an audience.
7. Demonstrated the Academy expectations and attributes.
8. Demonstrated my leadership skills.
9. Attended a residential trip.
10. Heard from an inspirational speaker.
11. Participated in experiences that help me make informed decisions about my future and how to get there.

INSPIRE Achievements:

20+ achievements in an academic year = college coloured star badge

30+ achievements in an academic year = college coloured shield badge

40+ achievements (across all categories) in an academic year = glass shield

Each student's individual achievements are listed on their ePraise account.
