Epraise at Swindon Academy

At Swindon Academy we use Epraise to help parents engage more with their children's education. This guide will explain how to get started and use some of the most popular tools available on Epraise.

School Information on Epraise

On the school information page, we will post links to useful documents such as the Parents' Handbook, Newsletters, parent letters etc.

We are going paperless in September so all letters will be posted on Epraise.

You can find the school information under Home > School information on the Epraise website and under the More menu on the app.

Parent Messages on Epraise

On the Epraise website, you can find your messages under Me > Messages. On the App there is a dedicated messages tab.

Messages allow you to send and receive messages from/to your child's/children's teacher so you can keep up to date with any communication. To create a new message select the New button at the top right. Once you have selected your child, you should see a list of all their teachers. Note that messages sent by the school to multiple parents cannot be responded to and are moved to the 'completed' section once you have read them.

As well as sending positive and general messages to parents via Epraise, **we will use Epraise messages to let you know about any detentions your child receives and/or if they are placed in the RZONE.**

Your Child's Profile on Epraise

On the Epraise website, you can view your child/children's profiles under the My Children tab. On the app, they are listed as tabs on the main screen. Here you can see how your child is doing in school, in areas such as achievement, behaviour, interventions attendance etc.

Your Child's Planner on Epraise

On the Epraise website, you can find out about the homework that your child has been set.

You can keep a track on their completion rates by going to on the website, selecting My Children > Planner and on the app you can find this under the More menu for each child.

On the right hand side you can select View, to see either homework that as been set that day, or homework that is due.
