If you are determined to learn, no one can stop you."

How to use your 100% book of Knowledge Organisers and Quizzable Organisers

Knowledge Organisers

Knowledge Organisers contain the essential knowledge that you **MUST** know in order to be successful this year and in all subsequent years.

They will help you learn, revise and retain what you have learnt in lessons in order to move the knowledge from your short-term memory to long-term memory.

Quizzable Knowledge Organisers

These are designed to help you quiz yourself on the essential Knowledge.

Use them to test yourself or get someone else to test you, until you are confident you can recall the information from memory.

Top Tip

Don't write on your Quizzable Knowledge Organisers! Quiz yourself by writing the missing words in your prep book. That way you can quiz yourself again and again!

Expectations for Prep and for using your Knowledge Organisers

1. Complete all prep work set in your subject prep book.
2. Bring your prep book to every lesson and ensure that you have completed all work by the deadline.
3. Take pride in your prep book – keep it neat and tidy.
4. Present work in your prep book to the same standard you are expected to do in class.
5. Ensure that your use of SPAG is accurate.
6. Write in blue or black pen and sketch in pencil.
7. Ensure every piece of work has a title and date.
8. Use a ruler for straight lines.
9. If you are unsure about the prep, speak to your teacher.
10. Review your prep work in green pen using the mark scheme.

How do I complete Knowledge Organiser Prep?

Step 1

Check Epraise and identify what words /definitions/facts you have been asked to learn.
Find the Knowledge Organiser you need to use.

Step 2

Write today's date and the title from your Knowledge Organiser in your Prep Book.

Step 3

Write out the keywords/definitions/facts from your Knowledge Organiser in FULL.

Step 4

Read the keywords/definitions/facts out loud to yourself again and again and write the keywords/definitions/facts at least 3 times.

Step 5

Open your quizzable Knowledge Organiser.
Write the missing words from your quizzable Knowledge organiser in your prep book.

Step 6

Check your answers using your Knowledge Organiser. Repeat Steps 3 to 5 with any questions you got wrong until you are confident.

Make sure you bring in your completed Prep notes to demonstrate that you have completed your prep.

Key Vocabulary		Poem	Context	Events in the poem	Message	Form/ structure
Patriotism	Being devoted to your country	Kamikaze-Beatrice Garland	- During WW2, the term 'kamikaze' was used for Japanese fighter pilots who were sent on suicide missions. They were expected to crash their planes into enemy warships. The word 'kamikaze' literally translates as 'divine wind'. - Flying a kamikaze mission was portrayed as a great honour by the Japanese government. It was claimed that there were many volunteers, although some have argued that not every kamikaze soldier would have been willing. By the end of the war, nearly 4,000 kamikaze pilots had died.	The narrator of this poem is a kamikaze pilot's daughter. Unlike many of his comrades, this pilot turns back from his target and returns home. The poem explores the moment that the pilot's decision is made and sketches out the consequences for him over the rest of his life. Not only is he shunned by his neighbours, but his wife refuses to speak to him or look him in the eye. His children gradually learn that he is not to be spoken to and begin to isolate and reject him.	- The poem explores the conflict between personal and national duty and suggests that individual desire and extreme patriotism cannot be achieved together. - Through the pilot, Garland may be expressing how it is not honour that gives life meaning, but rather being with loved ones. - The poem explores the impossible situation that the pilots were put in by those in power- dying in glory or being shamed and rejected by your family. It also deals with the lasting effects that war can inflict on people, families, and communities. This poem not only deals with the kamikaze pilot's own story, but the implications for those around him.	Kamikaze is a narrative poem. It begins as a report, summarising another conversation or story told by someone else. Sections of the poem are presented in italics as first-person narrative, where the storyteller speaks directly for herself. This has the effect of heightening the sense of sadness she feels.
	When a powerful country takes control of a less powerful country		- Since the early 17th century, the country of Guyana has been colonised and controlled by the Dutch, French and British. The indigenous population spoke Arawak, but the British introduced English as the language of the government, courts and education system. - For centuries, nations would repress the culture and identity of the countries that they colonised. They did this to control the population and get rid of any rebellion against the colonisers. - Born in Guyana in 1949, Agard moved to Britain in 1977 and sees the culture as both an insider from living there and an outsider from moving to Britain	- The poem focuses on the omission of indigenous history and discusses how colonized people were forced to learn about <i>British</i> history—which had little to do with their actual lives. Not only does the poem call attention to the oppressive nature of colonial education, but it also praises important figures who were left out—figures such as Toussaint L'Ouverture, the leader of the Haitian revolution. - The poem suggests the curriculum deliberately blinded colonized people to their own histories, and argues that in order to understand their own identity they must learn their own history.	- Knowledge should not be denied to anyone. No one has the right to oppress others by denying them facts about their past. This can lead to feelings of inferiority and there should be more equality in the world. History is important and there is power in knowing your heritage and culture. People should never exclude this from you – especially if it is replaced with less relevant examples. - There is a sense of caution in this poem in relation to believing what you are told. We are reminded that we should always seek the truth for ourselves and question what others choose to teach us. The education system has power to mould our thinking and we should be aware of this. - There is a warning that, when people are denied knowledge, they can become bitter and angry, and this could lead to rebellion, protests and uprisings.	The open form highlights Agard's rebellion against the status quo and the restrictions of a colonial curriculum. His use of italics separates and celebrates the important historical figures from the history he was a taught. The sing-song rhyme scheme holds a bitterness and anger that he was taught trivial things whilst his own history was omitted.
Dominate	To have power and influence over others	The Émigrée-Carol Rumens	- Carol Rumens was born in South London in 1944 - Published her own poems and translations of Russian poems - She has a 'fascination with elsewhere' - The Émigrée is not autobiographical poem, but is inspired by living in London (a diverse society) - The poem sympathises with people who have been exiled - Emigrants are people who have left the country of their birth to settle elsewhere in the world.	- A displaced person pictures the country and the city where they were born. The city and country are never named in order to increase the relevancy to as many people who have left their homelands as possible. - The speaker's home country appears to be war-torn, or under the control of a dictatorial government that has banned the language the speaker once knew. - Despite this, the émigrée's childhood memories are filled with light and happiness. Though there is a clear sense of fondness for the place, there is also a more threatening tone in the poem, suggesting that not all of her memories are happy and that the country she has emigrated to is not always welcoming.	- Rumens presents the importance of empathy and sympathy. She reminds us of how traumatic conflict can be and that people are forced to make heart-breaking decisions when they live under cruel leadership. - The poem highlights the importance of belonging and is a celebration of diversity – we should make people feel welcome when they move to a new home. - Memories are shown to be powerful and to have a strong hold over us with the ability to bring both pain and comfort. The past can be difficult to escape and can restrict us from moving forward in life. - There is also a sense of the power of the media – their portrayal of immigrants can lead to a lack of sympathy in society; it is important we do not become insensitive to the pain that can lead to people moving to a new home.	The use of enjambment reflects the chaos and confusion of her situation. The poem consists of two stanzas with eight lines and a third stanza with nine lines. The added line in the final stanza could suggest she doesn't want to let her memories go, stop writing about her homeland or give up her past.
Defiance	Showing that you don't want to obey someone					
Isolated	To be far away from other people or places.					
Dictatorial	Telling people what to do in a forceful and cruel way	Storm on the Island-Seamus Heaney	- For many centuries, there has been conflict in Northern Ireland. - The majority of Northern Ireland's population were unionists, who wanted to remain within the United Kingdom. Most of these were Protestant Christians. - Seamus Heaney was a Catholic born in Northern Ireland in 1939. Catholics were seen as the underclass and were discriminated against by the government and police. This resulted in strong political and guerrilla warfare movements in an attempt to overthrow British rule and re-unite Ireland.	There are two interpretations of this poem- literal and metaphorical. Literal: The narrator describes how well prepared they are for the storm. The storm attacks the island. As the poem progresses, the narrator's confidence decreases, and they begin to worry. Metaphorical: Heaney uses the storm as a metaphor for the conflict in Northern Ireland. The 'Islanders' suffer under enemy occupation with quiet resignations.	- Heaney portrays nature as a powerful force that humans should fear and not attempt to control. - Heaney presents the idea that life under constant enemy occupation can leave people accepting this presence with sadness, but stop trying to do anything about it. - He warns that the enemy can appear reasonable, but can quickly turn in to a dangerous threat – this threat may not always be physical; the gradual erosion of human rights and liberties is just as perilous.	Heaney's use of iambic pentameter may appear strange given its use in traditional British poems. However he subverts the traditional structure by swapping the stressed and unstressed syllables on certain lines, resisting the regularity of British control.
Nostalgia	A warm feeling for the past, particularly a very happy time					
Fragility	being easily broken or damaged.	Tissue-Imtiaz Dharker	- Imtiaz Dharker was born in Pakistan but grew up in Scotland. Her poetry often deals with themes of identity, the role of women in society and the search for meaning. - Tissue is from her poetry collection called 'The terrorist at my table'. Most of the poems in that collection relate to religion, terrorism and global politics.	- Tissue explores the varied uses of paper and how they relate to life. - It is written from the point of view of someone looking out at the conflict and troubles of the modern world; destruction, war and politics, money and wealth as well as issues like terrorism and identity. - The poem remarks how nothing is meant to last.	- Human power is ephemeral. No matter how much we try to build structures to display our power, nature will always outlast it. - Our relationship with paper is unhealthy. We rely on it too much to make records, document ownership and build debt. Instead, we should realise that the significance of human life will outlast the records we make of it on paper or in buildings. - Human life is fragile, and not everything can last. We must understand our fragility and should not try to build our lives through making recordings or building with blocks and bricks, we should focus on living.	The poem has an irregular structure and no rhyme scheme reflecting the irregularity of life and the lack of and predictability. The fragile structure is symbolic of the fragile nature of our lives.

**1. Global pattern of urban change**

The world's population is growing rapidly; currently 50% of us live in urban areas.

Urbanisation	An increasing percentage of a country's population living in towns and cities.
HICs	Very slow rate of urbanisation. Already have high urban populations. Urbanisation happened earlier (during the industrial revolution).
NEEs	Fast rate of urbanisation due to industrialisation. Urban population is increasing rapidly.
LICs	Fast rate of urbanisation. Urban population is low as many still work in farming.

2. Factors affecting urbanisation

Rural-Urban migration	The movement of people from a rural area (countryside) to an urban area (towns and cities).
Push factors	Negative factors that make people leave an area e.g. drought, famine, war, few services.
Pull factors	Positive factors that attract people to an area e.g. better access to services, better paid jobs, access to electricity.
Natural Increase	When the birth rate is higher than death rate; the population grows. High in NEE cities as migrants are often young and health care is improving.

3. Megacities

Megacity	A city of more than 10 million people living there.
How many?	There are now 34. Rapidly increasing.
Where?	Most are in Africa and Asia.

4. Key terms

Social deprivation	The extent an individual or an area lacks services, decent housing, adequate income and employment.
Dereliction	Abandoned buildings and wasteland.
Urban Greening	Process of increasing and preserving open space in urban areas i.e. parks.
Urban sprawl	Unplanned growth of urban areas into surrounding rural areas.
Integrated Transport System	Different forms of transport are linked together to make it easy to transfer from one to another.
Brownfield	Land that has been used, abandoned and now awaits reuse; they are often found in urban areas.
Greenfield	A plot of land, often in rural areas or on the edges of urban areas that has not been built on before.
Commuter settlements	A place where people live but travel elsewhere for work e.g. Yate → Bristol.

5. Sustainable urban living

Sustainable urban living	Where people living, now, have the things they need, without reducing the ability of people in future to meet their needs.
Water conservation	Recycling grey water. ½ flush toilets. Rainwater harvesting on roofs. Permeable pavements- filters pollutants.
Energy conservation	Energy efficient appliances. Energy saving (south facing windows). Use of renewable energy sources.
Waste recycling	Recycling boxes in houses. Recycling facilities nearby. Encourage websites like 'Freecycle'.
Creating green space	Maintain green spaces around towns- Cools area, encourage exercise, happy.

6. Urban transport strategies used to reduce traffic congestion

Problems with congestion	air pollution (global warming). Late for work, deliveries delayed. accidents, stress, asthma. In Bristol, 200 people die as a result of air pollution each year.
Beryl Bikes	Shared bikes in Bournemouth + Poole.
Oyster Cards	Quick and easy to pay for more than one type of public transport (London).
Park and ride	Car parks on the outskirts of a town, with buses into the city centre.
Congestion charge	Charge for entering the city centre at peak times.
Bus lanes	Stop buses being held in traffic.

7. Distribution of population and major cities in the UK

Population	66 million. Distribution is very uneven. 82% live in urban areas. Upland areas are sparsely populated.
Cities	Most in lowland areas and on coasts. London is the biggest city and the capital. It has 10% of the population. Cities reflect our industrial past (near raw materials e.g. Leeds near coal). Counter-urbanisation is a recent trend.

8. Location and importance of Bristol

Location	South west of the UK, on Bristol Channel. Near to junction of M4 & M5.
Importance within the UK	Largest city in the southwest. 8 th most popular city for foreign tourists. 2 universities and 2 cathedrals.
Importance to wider world	Largest concentration of silicon chip manufacturing outside of California. International airport (links to Europe). Many TNCs located there (AirBus, BMW)

9. Impacts of migration on the growth and character of the city

National migration	1851 - 1891 population doubled as people arrived looking for work.
International migration	<u>Now, international</u> migration accounts for half of its growth. 50 countries. Many from Europe (Poland, Spain).
Impact on	Many cultural opportunities. Afro-Caribbean- strong community

10. Urban change in Bristol

- Population is growing rapidly.
- Population is more ethnically diverse.
- More under 16-year olds than of pensionable age.
- Electrification of railway to London (<70 minutes).
- Become more accessible (road, rail, air).

11. Opportunities created by urban change

Cultural mix	50 countries represented (food, art). St Paul's Carnival (attracts 40,000).
Recreation and entertainment	Underground music scene -Colston Hall. Entertainment (The Bristol Old Vic). 2 football teams (City, Rovers). Shopping Cribbs Causeway, Cabot Circus.
Employment	Highly tech. industries = jobs. 50 silicon businesses. Many TNCs. £100 million improved broadband.
Integrated transport system	Links different types of public transport Reduces congestion in the city. ↗ % people walking and cycling (57%).
Urban greening	> 90% live within 350m of park/water. 300 parks. 1/3 Bristol is open space. 2015 European Green Capital status.

12. An example of an urban regeneration project

Example	Why did it need regeneration?	What are the main features?	Successful?
Temple Quarter, Bristol	• Bristol surrounded by a green belt. • Brownfield site- rundown, ugly. • By Bristol Temple Meads Station- poor impression for new visitors. • Previously an industrial area.	• Enterprise Zone e.g. low rents. • Improve access e.g. ITS. • New bridge across River Avon (access to planned Bristol Arena). • Maintain historical features, cobbled streets- gives character • Brunel's Engine Shed £1.7mill.	✓ 4,000 new jobs by 2020 (17,000 by 2037) ✓ Attracts tourists. ✓ Redeveloped brownfield site ✗ Arena still not built

13. Challenges created by urban change

Urban deprivation	Some areas face social deprivation. 1/3 of people in <u>Filwood</u> are in very-low income households. Problems of crime, drug use, low quality housing, lack of transport.
Inequality in housing	<u>Filwood</u> - 50% in council housing. <u>Stoke Bishop</u> - millionaires (large villas)
Inequality in education	<u>Filwood</u> - 36% get top GCSE grades. <u>Stoke Bishop</u> - 94%.
Inequality in health	<u>Filwood</u> - Life expectancy 78 years. <u>Stoke Bishop</u> - 83 years.
Employment	<u>Filwood</u> - 1/3 16-24-year olds. <u>Stoke Bishop</u> - Just 3%.
Dereliction	Industrial buildings derelict (inner-city). <u>Stokes Croft</u> (many squatters).
Building on brown and greenfield	2006-13 94% housing on brownfield. Plan for 30,000 homes on brownfield. Temple Meads built on brownfield.
Waste disposal	>1/2 million tonnes of waste/year. (23% lower per head than UK average) ↗ recycling by 50%. Teach it in schools.
Urban sprawl	Greenbelt to prevent merge with Bath City extended to NW (Bradley Stoke). Led to destruction of greenfield sites. Yate- Commuter settlement.

8. Introduction to Nigeria

Located just north of the equator, in west Africa.

Importance of Nigeria

Global importance	🌐 NEE in 2014 > 21st largest economy. 🌐 5th largest contributor to UN peace keeping.
Local importance	🌐 Fastest growing economy in Africa. 🌐 In 2014 they had the highest GDP.

Nigeria's context

Political	🌐 Boko Haram have killed 17,000 people since 2002.
Environment	🌐 Rainforest- south > savanna- north.
Social	👤 500 ethnic groups 👤 Literacy 61%, life expectancy 52 years
Cultural	🎬 Nollywood (2 nd largest film industry).

9. Nigeria's changing industrial structure

Term	Definition
Industrial structure	The relative proportion of the workforce employed in different sectors of the economy (p, s, t, q).
Primary sector	Jobs that extract/collect natural resources. ↓ Decreasing due to mechanisation and industrialisation. This started rural to urban migration.
Secondary sector	Jobs making things. ↑ Increasing (industrialisation).
Tertiary	Jobs that provide a service. ↑ Increasing as people start to have more disposable income.

How does manufacturing stimulate economic development?

- Factories provide jobs > people have more disposable income > home market enlarges.
- Companies pay tax > government invests in infrastructure like roads > attracts more companies to invest. **Positive multiplier effect.**

10. Transnational corporations

Term	Definition
Transnational Corporation	Companies that operate in more than one country. (40 TNCs in Nigeria)
Host country	Country the TNC places its factories.
Footloose	Industries not tied to a certain location

Shell in Nigeria

Advantages	+ 65,000 jobs = > disposable income. + 91% contracts to Nigerian companies (reduces economic leakage)
Dis-advantages	- Bodo oil spill 08/09. 11 million gallons of oil spilt over 20km².
Summary	National economic benefits vs local environmental costs in Bodo.

12. Impacts of economic development

Impact on the environment	🌳 70-80% forests destroyed. 🌳 Bodo Oil spill (Shell 08/09). 🌳 10,000 illegal industries = air pollution. 🌳 Loss of species (giraffes, 500 plants).
Impact on quality of life	👤 Life expectancy ↑ from 46-52 years 👤 HDI from 0.47 to 0.53. 👤 BUT inequality has widened due to oil wealth and corruption.

13. Unilever in Nigeria

Advantages:	Disadvantages:
Unilever employs around 1500 people in Nigeria	Unilever is a British-Dutch company so some of the profit leaves Nigeria
40% of Unilever's profits go to Nigeria in Tax	Workers in factories earn very low wages and have poor working conditions
Unilever works with local communities to improve education and healthcare	.Manufacturing cause environmental problems such as water and air pollution

11. Nigeria's changing relationships

Political relationships	- Gained independence (UK in 1960). - Member of British Commonwealth.
Trading relationships	- Member of OPEC (oil). - Member of ECOWAS (Western Africa trading group). - Has strong links with China and USA.

International aid in Nigeria

Term	Definition
International aid	Money, goods and services given to help the QoL of another country.
Emergency aid	Usually follows a natural disaster or war. e.g. Food, water, shelter.
Developmental aid	Long term support by charities or governments to improve QoL. E.g. infrastructure, education, clean water

Aid in Nigeria

What?	4% of aid given to Africa. UK gave £360 million in 2014.
Nets for life	- Nets to prevent malaria. 82,500 given out in Abuja. ✓ Successful as community based.
Problems with aid	- Sometimes it isn't sustainable. - Corruption. - Can be tied (strings attached).

13. Shell in Nigeria

Advantages:	Disadvantages:
Employs 65,000 people in Nigeria	260,000 barrels of oil spilt a year in the Niger Delta
Social investment programs (e.g., 10 postgraduate scholarship)	Bodo oil spills in 2008 and 2009, 600,000 barrels of oil spilt
Brought in \$17 billion in taxes	Oil bandits: 4.5 trillion barrels of oil lost

A.	Background:	c.	Social	Economic
	- Urban = Towns and cities Rural = countryside Urbanisation is the growth in the proportion of a country's population living in urban areas. The rate of urbanisation differs between countries that are richer than those that are poorer. HIC have very slow rates of urbanisation: In richer parts of the world, urbanisation happened historically and most of the population now already live in urban areas. Many people in urban areas in HICs desire a better quality of life and are moving to rural area. Here they can commute to cities (because of better transport) or work from home (better communication). LIC are less economically developed e.g. Ethiopia. Not many of the population live in urban areas . However, people are starting to move away from jobs in farming (rural areas) to urban areas. They are experiencing rapid urban growth. NEE are those where economic development is increasing rapidly e.g. Brazil, India, Nigeria - They are experiencing rapid urban growth.	Opportunities	- Better access to services e.g.health care and education - Better access to resources such as clean water supply and electricity	- Increase economic development - As industry develops (industrialisation), more people move to urban areas to work in factories – there are more jobs and better wages than rural areas - Industries create and sell goods on the international market. Manufactured goods make greater profits than unprocessed goods so industrialised countries get wealthier.
			Social and economic (HEWE)	Environmental (WART)
		Challenges	- Badly built houses and over crowded - No access to basic services (running water, sanitation, electricity) - Unclean conditions and lack of access to medical services mean people often have poor health - No access to education - High levels of unemployment and crime	- Rubbish isn't collected so it leaves toxic rubbish heaps, which damage the environment - Air pollution comes from burning fossil fuel from vehicles and factories - Sewage and toxic chemicals can get into rivers, causing health problems and harming wildlife - Infrastructure like road systems may not be able to cope with the growing number of vehicles. Congestion causes an increase in greenhouse gas emissions which cause global problems. Locally, problems with health and acid rain also occur.

B. Factors affecting the rate of urbanisation	D. Rio	E.. Favela Bairro
Rural-urban migration the movement of people from rural to urban area. The rate is affected by push-pull theory.	Sanitation Conditions relating to public health, especially the provision of clean drinking water and adequate sewage disposal.	Successes Failures
Push factors things that encourage people to leave (Push them out)	Quality of life General well-being of individuals and societies	Successes Failures
Pull factors things that encourage people to move to an area (Pull them to an area)	Favela Brazilian shack or shanty town; a slum	Successes Failures

3. The Spanish Empire 1528-1555

Pizarro – First Expedition

Pizarro was with Balboa when they reached the Pacific. Pizarro was impressed by Cortes and his success in Mexico.

Tales of vast wealth in Peru encouraged Pizarro to find his own success.

November 1524 – First expedition

Not a success. Only reached Columbia before bad weather, lack of food and attacks by hostile natives forced Pizarro to turn back.

The mangrove swamps put off any idea of establishing a settlement too.

Impact of Gold and Silver on Spain

Used to make 8 sided coins – ‘pieces of eight’. Widely accepted in Europe due to high silver content.

The Crown took 25% of bullion coming into Spain .

75% of wealth went to Spanish merchants and conquistadors.

European traders put up prices for the wealthy Spanish merchants.

High prices led to inflation – workers demanded higher wages in Spain.

Charles I invested money in the military – not industry and business.

Spanish were getting wealthy by finding bullion instead of making products and selling.

Pizarro's Second Expedition

Pizarro's appeal to the Spanish King Charles I

In 1528 Pizarro returned to Spain with evidence of Inca wealth, including Llamas, silver and gold. Having been refused permission to launch a third expedition by the governor of Panama, he appealed to Charles I. Pizarro received a licence, the Capitulation de Toledo, in July 1529, authorising him to conquer Peru.

Governing the Empire

The Spanish needed to find a way to govern the discovered territories to restore peace and stability. They needed to make sure basic essentials were available, laws were in place, conquistadors didn't fight among themselves and ensure daily life was managed effectively.

Bartolome de las Casas – was a priest that tried to encourage the fair treatment of natives in the New World. 1527 he wrote a book 'A Short Account of the Destruction of the Indies'.

The New Laws:

- It was made illegal to enslave natives.
- The amount of tribute that could be collected was limited.
- Encomiendas had to be passed back to the Spanish government on the death of the encomendero.

The role of the Viceroy:

The Council of the Indies appointed two viceroys to govern Spanish territories: one in Mexico city and one in Lima (Peru). They acted on behalf of the government. Justice was managed through the audiencias (courts), with judges who were independent of the viceroys.

The role of the **encomienda system**:

This was imposed officially across the Spanish Empire. An encomienda was land granted to a Spaniard, who was then called an encomendero. He could demand tribute from natives. In return he was responsible for their protection and their conversion to Christianity.

Significance of the New Laws 1542:

Laws introduced to improve the rights of native people, but encomenderos opposed them and the viceroy of Peru refused to implement them. Revolts in Peru: the most serious in 1544 had to be put down by the Spanish government and led to a temporary halt in the Spanish conquest of the New World in 1550.

Although forced to suspend the laws, Charles I insisted encomiendas be passed back to the crown on the death of an encomendero. Natives continued to be exploited in the New World.

Pizarro and the Conquest of the Inca Empire

Date	Event
Dec 1518	Smallpox epidemic in Haiti.
Sept 1520	First cases of smallpox in Mexico
1525-1527	Smallpox spreads along the Caribbean coast.
1527	Smallpox reaches Peru. Huayna Capac dies from smallpox after returning to help his people.
1529	Civil War breaks out between Huascar and Atahualpa (Huayna Capac's son).
April 1532	Huascar is captured and killed. Atahualpa takes over Cuzco.
Nov 1532	The Battle of Cajamarca – Pizarro's men hid in the town square of Cajamarca. When Atahualpa's men entered the town they met with a priest who showed them a bible. Atahualpa threw the bible on the floor which was the signal needed for Pizarro's men to attack and they took Atahualpa prisoner.
July 1533	Atahualpa promised to fill his prison with treasure in order to secure his release. Although he did this, the Spanish still sentenced him to death. On 26 th July he was garrotted.
1533	Manco made puppet ruler of the Inca Empire.

Revolt of the Incas 1536

The Spanish saw Manco as a puppet king who would rule on their behalf. When Manco escaped from the Spanish he assembled an army and attacked the base at Cuzco.

The Siege of Cuzco 1536-1537

-10,000 Inca warriors faced 150 Spanish and 1000 native allies.

-The Inca warriors broke into town, burning buildings to try to drive out the Spanish, but the Spanish were able to put the fires out.

-The Spanish used their cavalry to attack the Inca warriors.

-The Spanish captured the fortress of Sacsahuaman from the Incas, which the Inca army then besieged.

-The siege ended when Spanish forces exploring Chile returned.

-Manco withdrew and established a separate kingdom which lasted until 1572.

Founding of La Paz, 1548

La Paz was founded to symbolise the end of the revolt and to demonstrate that Spain had the overall authority in the New World, not the conquistadors.

It became the administrative centre of the Spanish Empire. The Viceroy and the audiencias (courts) were based here.

It was founded close to trade routes to ensure it maintained control over the silver mines based in Potosi and Oruro.

Discovery of silver in Bolivia and Mexico

By 1550 silver had been discovered in Potosi (Bolivia) and in Guanajuato and Zacatecas (Mexico). Some was sent back to Spain but most was kept by the conquistadors.

Large mining towns developed to house workers for the mines.

Colonisation of the New World increased as adventurers, merchants, speculators and their employees came in search of wealth.

25% of silver shipped to Spain went straight into the treasury.

Conquistador Revolt in Peru 1544

A serious revolt took place as the encomenderos were unhappy with the New Laws. This revolt was led by Gonzalo Pizarro, brother of Francisco Pizarro. It was a success and Gonzalo ruled over the Inca territory for 2 years.

The arrival of a Spanish army resulted in his execution and the restoration of Spanish authority.

The revolt raised the issue of control. Spain needed to govern its territories and control the rebellious conquistadors and encomenderos. This led to the founding of La Paz in 1548.

Pirates and Privateers

Spanish treasure was a target for Pirates and Privateers (funded by government/monarchy).

The ships were easy to find as they took well-defined and predictable routes across the Atlantic.

War with France (1542-46) meant Spain had to adapt ships and develop systems to deal with French privateers.

Galleons patrolled the sea routes and started carrying treasure as they were well armed.

Treasure fleet system developed: the **Tierra Firme** (went to S. America) and the **New Spain** (went to Mexico).

Growth of Seville

All goods imported to Europe had to go through Seville. Merchants travelled from all over Europe to buy and sell goods. This gave Spain a monopoly over trade with the New World.

The Slave Trade

Due to the number of deaths of natives in the New World, there was a labour shortage.

Under the Treaty of Tordesillas, Spain could not directly get slaves from W. Africa.

Spanish merchants could get licences (asientos) to supply slaves to the New World. Licences sold to the highest bidder who could then buy from Portuguese merchants and sell to merchants in the New World.

Casa de Contratacion (House of Trade)

Established in 1503 by Isabella. Collected colonial taxes. Approved voyages of exploration and trade and kept secret information on new lands and trade routes. Licenced captains of ships.

In theory, no Spaniard could sail anywhere without the approval of the Casa.

Council of the Indies

Formed in 1524 and based in Spain. Controlled all matters concerning the New World. Messages received from Viceroys would be discussed and advice given to the King. Decisions made were sent from the Council to the Viceroys. This was Spain's way of trying to maintain control over its empire in the New World.

A.	Worship
What is it	- A way for Christians to show love and respect for God - It shows Christians how important God is to them - They worship in different ways
Liturgical worship	- Worship with a set order or pattern - E.g. Roman Catholic Mass - Often takes place in a Church but can be elsewhere
Non-liturgical worship	- Tends to be Bible-based - Often follows a structure but there is free choice in the structure - May choose a relevant theme for the community - Prayer is often in a personal style
Informal worship	<i>Charismatic worship</i> - Service has characteristics such as hymns, sermon and prayer but is free-flowing - Can be anywhere, not just the Church - Resembles worship practiced by early Christians - Focus on the Holy Spirit
Private worship	- Takes place individually - Forms a personal relationship with God

B.	Prayer
What is it / Significance of prayer	- A means of communicating with God - Purpose is to praise God, confess sins, give thanks to God
The Lord's Prayer	"Our Father, who art in Heaven" - Gives a model for how to pray - Involves adoration of God, confession of sins, and petition (asking God for something) - Asking God for food "give us this day our daily bread" - Asking for forgiveness "forgive us our trespasses as we forgive those who trespass against us"
Set prayers	- Written down and said more than once/regularly - Allows collective nature e.g. Lord's Prayer
Informal prayer	- Use day-to-day language - Often private and focus on reflection - Pentecostal Church are moved by the Holy Spirit so speak in tongues

D.	<i>Eucharist/Holy Communion</i>
What is it	- Based on the words and actions of Jesus at the Last Supper "Jesus took bread, and when he had given thanks, he broke it and gave it to his disciples, saying, 'Take and eat; this is my body'." - Commemoration of the sacrifice Jesus made on the cross - Deepens faith in Jesus - Christians share bread and wine in Church which represents the body and blood of Christ
Significance	- Some celebrate it weekly - Gives them strength to live every day to God's glory
How is it celebrated	- Sharing bread and wine during a service at the church - Some use grape juice instead of wine
Different interpretations	- Roman Catholics believe in transubstantiation – the bread and wine is actually the body and blood of Christ transformed - Protestants – expression of faith and obedience - Catholic, Orthodox, Anglican – a way to receive God's grace

E.	<i>Baptism</i>
What is it	- Involves the candidate being immersed in water or having water poured on them - Symbolises cleansing of sin and initiation into the Church - Lots regard it as necessary to being saved - Jesus told his disciples to "go and make disciples of all nations, baptising them in the name of the Father, the Son and The Holy Spirit"
Significance	- Initiation into the Christian community - Cleansed from sin - Reborn into eternal life - United with Christ as a child of God - Receive the gift of the Holy Spirit
Infant baptism	- When a child/baby is baptised - Holy water is poured over their heads x3 - Washes away original sin, starts life on the right track with God, shows commitment, welcomes to the Church
Believer's baptism	- When an adult is baptised - Whole body is immersed in the water - Follows Jesus' example, start a new life with God, wash away sin, making their own decision to be baptised

F.	<i>Pilgrimage</i>
What is it	- A visit to a place regarded as holy for the believer - Places of pilgrimage have a special meaning and can make people feel closer to God
Importance	- Lets people take time out from their every day lives - Offers an opportunity for spiritual growth - Encourage them to lead lives that reflect the values of God - Physical or spiritual healing - Deepens their faith – meeting people from different cultures
Lourdes	- Virgin Mary appeared to Bernadette in the 19th century - Believed that the spring water can cleanse pilgrims of sin and cure illnesses - People walk in processions, touch the walls of the grotto, take home Lourdes water - There is a focus on helping and supporting the sick and disabled - People feel healed spiritually, if not physically
Iona	- Island off the west coast of Scotland - Services and tours for pilgrims MONASTIC experience = a simple way of living, i.e. like a monk - Share practical tasks e.g., washing up, discussions, studying the Bible - People do not go here for miracles

G.	<i>Christmas</i>
What is it	- Celebrated to commemorate the birth of Jesus - Churches are decorated with the scene of the nativity - Carols are sung about the events of Jesus' birth - Communion takes place at midnight on Christmas Eve
Importance	- Remembering the incarnation - Celebrates the birth of a saviour – his birth lead to people being saved from their sins
In GB today	- Christians thank God for the incarnation - A time of giving and receiving from loved ones - Time to remember those in difficult circumstances – should give and support those in need - Highlights meaning of Christmas to non-believers

H.	<i>Easter</i>
What is it	Remembering Jesus' death and resurrection
Importance	- Remembers the resurrection of Jesus - Power of good over evil - Reminds Christians of the omnipotence of God - Shows Christians there is an afterlife
Lent	Time of preparation for Easter – reminds Christians of the temptations of Jesus
Maundy Thursday	- Last Supper - Observed today by Eucharist
Good Friday	- Remembering crucifixion of Jesus - Observed today by worshipping together
Easter Sunday	- Celebrates Jesus rising from the dead - Shows there is an afterlife and death is not the end

GCSE Religious Education KO - Christianity Practices

I.	Role of the Church: Local community
Local community	- Churches help in the local community in a number of ways: food banks, day centres for the elderly, helping refugees, food banks, soup kitchens, helping people with taxes Parable of the sheep and the goats: Jesus told his disciples that they should help others "If anyone has material possessions and sees his brother in need but has no pity on him, how can the love of God be in him?" - Jesus deliberately sought out people in society who needed help
Food banks	- People volunteer to collect, sort and distribute food - People in need are identified and are provided with vouchers to exchange - The salvation army - soup kitchens and hostels, give emergency assistance, provide community vegetable gardens
Street pastors	- Christians who go out on the streets of cities to help care for the needs of young people - NOT there to spread Christianity, just to help - E.g. St. Vincent de Paul Society – help anybody who needs it – give training to get jobs, run community shops, run hostels, soup kitchens

I.	Role of the Church: Worldwide
Working for reconciliation	- Christians need to be reconciled with God but also with one another - Christians believe that Jesus' death was an act of reconciliation - Worldwide church has a role to restore people's relationship with God and with one another - Working for reconciliation is necessary for all Christians
Persecution	- Hostility and ill-treatment, especially because of race, or political or religious beliefs - Jesus told Christians to expect persecution because if they persecuted Jesus, they would also persecute his followers - Those who suffer for their beliefs share in the suffering of Jesus "to know the power of his resurrection and participation in his sufferings" - Persecution helps the church grow because people witness the hope that Christians have "if one part suffers, every part suffers with it" – all Christians suffer together so need to be supported - Church supports people by smuggling in Bibles, giving legal and financial support, provide spiritual support, raise awareness of those being persecuted
CAFOD	- Catholic agency for Overseas Development (CAFOD) - Works to bring hope and compassion to people of all faiths and in poor communities - Action needs to be taken to remedy the injustice of people suffering - Helps to increase access to clean water, education and healthcare, lobbies employers to adopt fair working conditions.

J.	Mission and evangelism
Mission	- Vocation or calling of a religious organisation or individual to go out into the world and spread their faith "go and make disciples of all nations... teaching them to obey everything I have commanded you" - Christians have the responsibility, according to the Great Commission, to tell others of their faith - Spreading the word to people in everyday life, organised events, preaching, becoming missionaries, humanitarian work
Evangelism	- Spreading the message of Christianity and teachings of Jesus in order to make disciples of all nations - Bring reconciliation between people and God - Show the love of God through their own actions - Preaching, teaching, performing missions and good works openly, move to foreign lands to spread the word, set up churches and church communities
The Alpha Course	- Aims to help church members understand the basics of the Christian faith - Many major Christian organisations use it - Take place in church premises but also in homes, universities, workplaces, prisons and other venues - Courses include topics such as relationship and marriage for adults and study programmes for young people

K	Persecution
	- Hostility and ill-treatment of a group of people - Jesus told Christians to spread the word of Christianity – may put them in danger – "he who endures to the end will be saved" - Open Doors and Christian Freedom International help persecuted Christians - Support them through trauma, provide advice and support, speak on behalf of persecuted Christians to raise awareness, send/smuggle in Bibles, lobby the governments for political power, organise the offer of aid to persecuted, offer rooms to asylum seekers, ask God to forgive the persecutors - Turn the other cheek
L	Reconciliation
How the church works for reconciliation	Set up initiatives to bring people together, working in prisons to lead people back to God and bring the victim and perpetrator back together, leading sermons, asking congregation to forgive each other
WHY they work for reconciliation	Jesus' sacrifice, parable of the forgiving father, "love thy neighbour", he who sees his brother in need and does nothing, how can the love of God be in him?

Year 11 GCSE Religious Education KO - Islam Beliefs

D.	Risalah (Prophethood)	E	Torah, Psalms and Gospels
What is it	- Muslims believe there has been 124,000 prophets - Every Islamic prophet preached Islam and key beliefs - The first was Adam, the last was Muhammad (Box E)	Psalms (Zabur)	- The Psalms of Dawud are a collection of prayers to Allah - They contain lessons of guidance for the people
Why are prophets important?	- Prophets are guided by Allah - Their love of Allah stops them from sinning - Some prophets are messengers who have been given revelation of news	Gospel (Injil)	- This is the good news about Isa (Jesus) - Muslims highly respect Isa because there are revelations in the Qur'an about him - Muslims believe he was the Masih, he was not the son of Allah, he was not crucified, he did not die to save sins - The gospels contain some mistakes because they were written many years after Isa died
Adam	- The first prophet - The father of all humankind - He taught about the work of Iblis and how to protect themselves - He taught life on Earth was temporary, eternal life is in the next life - He built the Ka'aba as the first place of worship	Torah (Tawrat)	- The Tawrat is the Arabic word for the Torah - These are the revelations given to Moses by Allah on Mt Sinai - The Qur'an refers to the Tawrat as "guidance and light"
Ibrahim	- Ibrahim was told in a dream to sacrifice Isma'il as a test of faith – remembered at Hajj every year - His son Isma'il is the ancestor of the prophet Muhammad	Scrolls of Ibrahim	- Revelations received by Ibrahim on the first day of Ramadan - Contained stories about workshop and reflection - Not a book, individual revelations

F.	The Nature of Allah
Tawhid	- There is only one God and this God has no equal. - He created everything. - Only He should be worshipped: worshipping other Gods is a sin called shirk. "There is no God but Allah, and Muhammad is his messenger". "Allah witnesses that there is no deity except Him" "Do they not see that Allah, who created the heavens and the Earth and was not wearied by their creation, has the power to raise the dead to life?"
2: Omnipotent	Allah is all powerful and has power over everything
3: Immanence	Allah is active in the world and able to control events
4: Transcendent	- Allah is outside of the universe - Not limited by time or space
5: Beneficence	God has love and good will
6: Mercy	"In the name of Allah, the most compassionate, the most merciful" - God is forgiving and caring
7: Fairness and justice	- Allah is fair to all people Allah has sent the same message to all prophets to allow humans numerous opportunities to submit to the will of Allah - Allah will ensure that judgement is fair and punishments are suitable

G. <i>Qur'an</i>		I. <i>Angels</i>	
Revelation	- Chapters of the Qur'an were revealed to Prophet Muhammad over 13 years in Makkah - While Muhammad received the revelations, he was not able to change them because it was the will of Allah - After Muhammad received them, he recited them, and somebody wrote them down.	What are they?	- Angels are made from light and have wings which can move at the speed of light - They have no gender and are in the unseen world - They always complete what Allah asks and they always obey Allah as they have no free will
Authority	- It is the direct word of Allah so it has His authority - It is without error and remains in its original form - A written book was needed to formalise the religion	What do they do?	- Watch over humans - Bring peace to believers and instill fear in non-believers - Angel of Death takes the soul at death - Greet people entering paradise or throw people into the pits of hell - Signify the end of the world by blowing a horn
What does it contain?	- It covered every aspect of life - It influences a person throughout their lives - The basics of worship which Muhammad developed - Shari'ah law and social systems - It explains creations and other ultimate questions	Jibril	- Most important angel in Islam - Always brings good news - Helped Ibrahim when he was thrown in to a fire, opened up the Zamzam well for Hajar - Told Maryam she would have a son (Isa) - Dictated the Qur'an directly from Allah
Supreme authority	- The Qur'an is believed to have supreme authority - It is a timeless book – it is only the word of Allah if it is not translated from Arabic	Mika'il	- Assisted Muhammad with his spiritual mission - Giver of rain and sustenance – in charge of plants and rain - Helped Muhammad to fight for Makkah - Will help to weigh peoples' actions on Judgement Day - Mika'il prepared Muhammad by providing Jibril with purifying water
K. <i>Day of Judgement, paradise and Hell</i>		J. <i>Al Qadir</i>	
What will happen?	- Muslims believe Judgement day will come on a Friday (Adam was created on a Friday) - It will be announced by Israfil's trumpet - Allah will refer us to the book of deeds to justify damnation or salvation - Humans will go to paradise or Hell		- Everything happens as a result of Allah's will and nothing is ever random or without reason - Allah is in charge of everything - Everything is a part of Allah's plan "never will we be struck except by what Allah has decreed for us"
Jannah	- Paradise - No growing ill, old or dying – it is a reward and gift from Allah - A person must live religiously and ask Allah for forgiveness - Good beliefs and actions - It is beyond human imagination	E. <i>Muhammad</i>	
Entry to Jannah	"enter among my servants! Enter my paradise!" - People will arrive over the As-Sirat bridge - There are 8 gates and you go through the one which represents your best action - Two angels welcome people saying "peace be upon you"	Why was he chosen?	- Muhammad had characteristics such as responsibility, determination, patience, courage and honesty - He was highly respected in his community - He was extremely devoted to Allah – he prayed and fasted for long periods of time
Jahannam	- Hell - People wail in misery, 70x hotter than any flame on earth, boiling water poured on their heads, pain, dragged in chains - Punishment for a life full of evil or rejecting the teachings of the Qur'an	What did he do as a prophet?	- He became the ruler of Madinah and set up the first Islamic community - He converted the people of Makkah to Islam
		Why is Muhammad important?	- He is seen as the perfect role model as he is trustworthy and obedient to Allah - His influence can still be seen in the Hadith and Sunnah - The night of power in Ramadan is to remember Muhammad's first revelation from the angel Jibril

Salvation	Being saved from sin and given eternal life in heaven by God
Sin	Any thought or action which goes against God's will
Trinity	God's nature as three-parts-in-one, the Father, Son and Holy Spirit.

What we are learning in this unit		
A. Nature of God B. Evil and suffering C. The Holy Trinity D. Creation E. Resurrection, judgement, Heaven and Hell		F. Incarnation G. Crucifixion H. Christ in Salvation I. Ascension and resurrection J. Sin and salvation
A.	The Nature of God	How is it shown in The Bible?
One God	Christians believe in one God who is the creator and sustainer of all that exists	"the Lord he is God; there is none else beside him"
Omnipotent	- God is almighty and has unlimited power - Nothing can defeat the power of God	"For nothing is impossible with God" - The creation of the universe - miracles performed by Jesus - Sending the 10 plagues to Egypt to help the Hebrews be free
Benevolent	- God is all-loving and all-good "agape" refers to a self-giving, sacrificial love	"For God so loved the world, he gave his One and Only Son" - Jesus' death on the cross is an example of that love - The Parable of the Prodigal Son – the father forgave his son because he loved him how God is also loving
Just	God is perfect and a fair judge	"he is faithful and righteous to forgive us our sins"
Problem of suffering	- If God is benevolent, why would he allow bad things and suffering to happen to innocent people? - Some Christians argue that if God is fair and just, why does he allow suffering?	
B.	Evil and suffering	
What is the problem of evil	- There is evil and suffering going on in the world - suffering is physical or emotional pain a person goes through for any reason - Christians may find it difficult to make sense of God allowing suffering to happen	
How do Christians solve the problem of evil and suffering?	- Human beings have free will and have the ability to choose their own actions - God doesn't cause it, humans do - Jesus Christ suffered on the cross and Christians believe they can learn from suffering too - Christians believe they get rewarded for suffering in Heaven "God works in mysterious ways" – we cannot understand God Job – there is sin in the world, we need to keep faith	
C.	The Holy Trinity	
What is it?	- The concept of the three persons of God - Each person of the Trinity is fully God, but they are not the same "we believe in one God, Father, Son and Holy Spirit"	
God The Father	- God of the Old Testament – creator, ruler, judge - The creator of all life	
God The Son	- Jesus Christ – both fully human and fully God - God became incarnate through Jesus	
The Holy Spirit	- The unseen power of God at work in the world - e.g. answering prayers, guides and comforts Christians	
Why is the trinity important?	- It expresses who God is - It expresses how humans can interact with God - It allows humans to come face to face with God - Helps to make the best sense of what Christians read in the Bible - When Jesus was baptised, the Holy Spirit descended like a dove and said "you are my Son..."

Year 11 GCSE Religious Education KO - Christianity Beliefs

D.	Creation
Beliefs about creation	- The trinity must have existed before creation - The trinity is the way in which the world was created
Genesis 1:1-3	"In the beginning, God created the Heavens and Earth" - God created Earth and all living things - Christians believe that everything created "was good" - Most Christians interpret the story as a way of describing the creation of the world - Not all believe it was in literally 6 days "now the Earth was formless and empty, darkness was over the face of the deep and the Spirit of God was hovering over the face of the waters"
John 1:1-3	"In the beginning was the Word, and the Word was with God" 'The Word' refers to God the Son. This shows the Son (Jesus) was involved in creation
Messages from the story	- God is the omnipotent creator - Every aspect of God's creation is good - The world is sacred - Humans have stewardship and dominion – they have authority over the rest of the world - Humans are made in the image of God

E.	Resurrection, judgement, Heaven and Hell
What is Resurrection	- Jesus overcame death through resurrection - If Jesus lived after death, then so will they - Makes Christians treat their body as a "temple of the Holy Spirit"
What do Christians mean by resurrection	- Some Christians believe that God will raise them back to life before Judgement Day - Catholics believe in purgatory – where the soul goes after death to be purified.
Judgement	- There will be a Judgement Day at the end of time and will be judged by Jesus according to how they behaved - Jesus "will come again in glory to judge the living and the dead" - After judgement, they will wait to be rewarded with Heaven or punished with Hell The Parable of the rich man and Lazarus – ignoring the needs of others has eternal consequences The Parable of the sheep and the goats – on Judgement Day, some will be rewarded with Heaven for helping others and others are sent to Hell
Heaven	- Heaven is being with God outside time and space - Eternal happiness with no suffering - Heaven is a state of being
Hell	- Hell is eternal separation from God "God predestines no one go to hell; for this, a wilful turning away from God... is necessary and persistence in it until the end" - Some Christians reject any idea of hell because they think it would mean God's love would not triumph over evil

F.	Incarnation
What is it	- God took on human form as Jesus Christ "The Word became flesh and lived for a while among us" - Jesus was fully divine and fully human
Jesus as the Son of God	Mary was impregnated by the Holy Spirit and gave birth as a virgin – proof that Jesus is the son of God
Belief in incarnation	The incarnation is important to teach Christians how to live

F.	Incarnation
What is it	
Jesus as the Son of God	
Belief in incarnation	

Year 11 GCSE Religious Education KO - Christianity Beliefs

I.	<i>Ascension and resurrection</i>
Resurrection	- Jesus was buried in a rock tomb and left there due to the Sabbath - When the women returned for the burial, Jesus' body was gone - Jesus appeared for the next 40 days to his disciples and other believers
Ascension	- Jesus appeared to his disciples and told them to spread the word of him - The time between resurrection and ascension reminds Christians that God will forgive sins and they can become closer to God - The ascension happened 40 days after the resurrection - It assures Christians they will rise again after death and live in the afterlife
Why is Jesus' resurrection important	- Christians interpret the resurrection as proof that he is the Son of God - Shows God's triumph over evil and death

G.	<i>Crucifixion</i>
Why was Jesus crucified	- Jesus was arrested and convicted of blasphemy - He was sentenced to death by Pilate - Crucifixion was a humiliating method which is slow and agonising
How does it influence a Christian	- By accepting Jesus' sacrifice, their sins will be forgiven and they will go to Heaven - Suffering is a part of life
Why did Jesus have to die?	- Blasphemy – some of the things he said and did were considered blasphemy and threatened authority - Pilate – Pilate was going to pardon him but was afraid of the consequences from Rome - God – Jesus had to die to fulfil God's commands for him – this way, humans could be reunited with God

I.	<i>Sin and salvation</i>
Original sin	- Christians believe humans are separated from God due to original sin which they have due to Adam and Eve (Genesis) - God in Christ offered salvation
Salvation through law	- Jews thought they needed to obey the law to be accepted by God - Some Christian groups claim salvation depends on keeping to all the rules that are put in place - However some say that the thoughts in our mind and love in our hearts for God is more important
Grace and spirit	- Grace = unconditional love that God shows to everyone, even when it seems undeserved - God loves humans despite what we do or do not do Parable of the Prodigal Son = the son did not deserve the forgiveness, but that is how God treats humanity - Jesus' actions made forgiveness for the sins of the world and reconciliation possible - Christians believe they receive God's grace through the presence of the Holy Spirit

H.	<i>Christ in salvation</i>
Atonement	Christians see Jesus' death as atonement
Reconciliation	- Reconciliation is the restoration of relationships - The relationship between God and human beings was damaged - Human beings need to be reconciled with God to get to Heaven - God sacrificed his Son to allow this to happen

	Keywords		What we are learning in this unit		B.	The 5 Pillars - Salah	
Tawalla		Showing love for God and for those who follow Him	A. The 5 Pillars and 10 Obligatory Acts B. Salah C. Sawm D. Zakah E. Hajj F. Jihad G. Id-ul-Adha H. Id-ul-Fitr			What is it?	“Salah is a prescribed duty that has to be performed at the given time by the Qur’an” Muslims pray 5 times per day and this allows them to communicate with Allah. - The prayers are done at dawn (fajr), afternoon (zuhr), late afternoon (asr), dusk (maghrib) and night (isha) - Muslims face the holy city of Makkah when paying.
Tabarra		Disassociation with God’s enemies					
Khums		The obligation to pay one-fifth of acquired wealth					
Lesser jihad		The physical struggle or holy war in defence of Islam					
Greater jihad		The daily struggle and inner spiritual striving to live as a Muslim					
Sunni		Muslims who believe in the successorship of Abu Bakr, Umar, Uthman and Ali as leaders after the Prophet Muhammad	A.	5 Pillars of Islam and 10 obligatory acts			
Shi’a		Muslims who believe in the Imamah, leadership of Ali and his descendants	What are the 5 pillars	5 key practices or duties for Muslims - Both Sunni and Shi’a keep these (Shi’a have them as part of the 10 obligations) - They are seen as pillars “holding up the religion” and are all of equal importance			
Niy Yah		Intention during prayer - having the right intention to worship God	What are the 10 obligatory acts	- There are 10 obligations for a Muslim according to the Shi’a branch of Islam. - These include prayer, fasting, almsgiving, pilgrimage, jihad, khums, directing others towards good, forbidding evil, tawalla and tabarra			
Du’a		A personal prayer that is done in addition to Salah e.g. asking Allah for help	Shahadah	- Shahadah is the first of the 5 pillars - It is the Muslim declaration of faith “there is no God but Allah, and Muhammad is His messenger” - This is a statement that Muslims reject anything but Allah as their focus of belief - It also recognises that Muhammad has an important role and his life is an example to follow			
		Jihad					
Lesser Jihad		- Originated when Prophet Muhammad and early Muslims were being attacked and oppressed by the Meccans and had no choice but to engage “Fight in the way of God those who fight against you but do not transgress” - Conditions for declaration - self-defense - proportionate - legitimate authority - no harm to civilians					
Greater Jihad		- A struggle within oneself to follow the teachings of Islam and be a better person - e.g. perform the Five Pillars, follow Sunnah and avoid temptation “encourage what is right and forbid what is wrong”					
		Wuzu					
		- The washing process to purify the mind and body for prayer - Muhammad said the key to Salah is cleanliness - Hands, arms, nose, mouth, head, neck and ears are cleaned as well as both feet up to the ankle.					
		Rak’ahs and recitations					
		- These are the movements that Muslims make during prayer - Takbir – raise hands to ears and say 'Allahu Akbar' - Qiyam – Standing, Muslims recite Surah - Then bow to the waist saying “Glory be to my Great Lord and praise be to Him” - Then sink to their knees saying “Glory be to my Lord, The Most Supreme....””					
		Salah at home					
		- Salah is a big part of family life - Meals and other activities are usually scheduled to fit around prayer times - Families pray all together and might have a room set aside for prayer					
		Salah in the mosque					
		- All mosques have a qiblah wall which is to show where to face Makkah - Men and women pray in separate rooms at the Mosque					
		Jummah					
		- Jummah is congregational prayer held on a Friday at the mosque where the imam leads the prayer - Praying together as a community develops the feeling of unity amongst Muslims - Men are obliged to attend unless they are sick or too old - Women do not have to go – they may pray at home instead					
		Differences between Sunni and Shi’a					
		- Shi’a Muslims combine some prayers so they may only pray 3x a day - Shi’a use natural elements e.g. clay where their head rests

	<i>The 5 Pillars - Zakah</i>
The role of giving alms	• Muslims believe it is their duty to ensure Allah's wealth has been distributed equally as everyone is the same • The Qur'an commands to give to those in need
The significance of giving alms	• Giving 2.5% of savings/wealth to charity • Wealth can cause greed which is evil, so Zakah purifies wealth – wealth is given by God and must be shared • The Prophet Muhammad practiced Zakah as a practice in Medina • Given to the poor, needy and travellers • Sadaqah is giving from the heart out of generosity and compassion
Khums	• Shi'a Islam – one of the 10 obligatory acts • 20% of any profit earned by Shi'a Muslims paid as a tax • Split between charities that support Islamic education and anyone who is in need • "know that whatever of a thing you acquire, a fifth of it is for Allah, for the Messenger, for the near relative, and the orphans, the needy, and the wayfarer"

	<i>The 5 Pillars - Hajj</i>
The role of pilgrimage	• A pilgrimage to Makkah which is compulsory for Muslims to take at least once as long as they can afford it and are healthy
The significance of pilgrimage	• God told Ibrahim to take his wife and son on a journey and leave them without food or water • Hajira ran up and down two hills in search of water, could not find any and prayed to God. Then water sprung from the ground. This is the Zamzam well • When Ibrahim returned he was commanded to build the Ka'ba as a shrine dedicated to Allah • Hajj is performed in the month of Dhu'l-Hijja
Actions	• Ihram – dressing in two pieces of white cloth • Circling the Ka'aba 7 times (tawaf) • Drinking water from the Zamzam well like Hajar • walking between Al-Safa and Al-Marwa hills seven times • Throwing stones at 3 pillars (jamarat) to represent casting out the devil and remembering Ibrahim throwing stones at the devil to drive him away • Asking Allah for forgiveness at Mt Arafat • Collecting pebbles at Muzdalifah

	<i>The 5 Pillars - Sawm</i>
The role of fasting	• Fasting during Ramadan (9th month in Muslim calendar) • Muslims give up food, drink, smoking and sexual activity in daylight hours • Pregnant people, children under 12, travellers and elderly people are exempt from fasting.
The significance of fasting	• Ramadan is believed to be the month that Prophet Muhammad began to receive revelations of the Qur'an • Helps Muslims to become spiritually stronger
Reasons for fasting	• Obeying God and exercising self-discipline • Develops empathy for the poor • Appreciation of God's gifts • Giving thanks for the Qur'an • Sharing fellowship and community with other Muslims
Night of power	• The night when the Angel Jibril first appeared to Muhammad and began revealing the Qur'an. • The most important event in history – "better than a thousand months" [Surah 97:3] • Laylat Al-Qadr is the holiest night of the year. Muslims try to stay awake for the whole night to pray and study for the Qur'an

	<i>Id-ul-Adha, Id-ul-Fitr, Ashura</i>
Id-ul-Adha Not an official holiday in UK	• Festival of sacrifice • Marks the end of Hajj and is a chance for whole Ummah to celebrate • Origins – Ibrahim's commitment to God in being willing to sacrifice his son, Ishmael. God was testing Ibrahim • Key events – new clothes, sacrificing an animal, visiting the Mosque. • People ask a butcher to slaughter a sheep for them and share the meat with the community
Id-ul-Fitr Public holiday in Muslim majority countries, not UK	• Festival of fast-breaking • Marks the end of Ramadan • Key events – Decorate homes with colourful light and banners, dress in new clothes, gather in Mosques, give gifts and money, give to the poor • Zakah ul-Fitr – donation to the poor so that everyone can eat a generous meal at the end of Ramadan.
Ashura	• Sunni celebration – many fast on this day which was established by Prophet Muhammad • Shi'a mourning – Husayn was murdered and beheaded. Muslims remember his death and betrayal • Key events – public displays of grief, day of sorrow, wear black, re-enactments of martyrdom, not a public holiday in Britain but Muslims may have day off school

Key Questions: Answer the following in your own words. Use these model answers	
¿Cómo usas las nuevas tecnologías/los redes sociales?	Todos los días uso las nuevas tecnologías. Uso mi ordenador, mi portátil nuevo, mi móvil y las redes sociales. Uso mi ordenador para ver videos de mis artistas favoritos en YouTube. Uso mi ordenador para hacer mis deberes y uso mi móvil para jugar juegos y subir y descargar fotos de mis amigos en Facebook.
¿Las nuevas tecnologías/los redes sociales son importante para ti? ¿Por qué?	Las redes sociales son muy importantes para mí. Las uso para contactarme con mis amigos, para charlar con mis amigos, para compartir experiencias y fotos, para ver videos de mis músicos favoritos. Ayer usé mi móvil para llamar a mis amigos, mandé mensajes a mis amigos y hice mis deberes.
¿Crees que las redes sociales son buenas o malas? ¿Por qué?	De un lado, lo bueno de las redes sociales es que puedes compartir experiencias y fotos con tus amigos, puedes seguir tus artistas o músicos favoritos. También lo bueno es que es muy rápido y barato mantenerte en contacto con tu familia. Lo malo es que los móviles cuestan mucho dinero, tu vida no es muy privada, es difícil para, es muy fácil ser dependiente de las redes sociales. Lo malo es que las personas no hablan y solo usan sus móviles.
¿Para qué usaste tu ordenador ayer?	Ayer usé mi ordenador para charlar con mis amigos y para mandar mensajes. También, ayer descargué música de la Red y subí fotos en Facebook. Me gustó porque fue entretenido y fue mejor que hacer mis deberes.
¿Qué es tu opinión de Facebook/youtube/skype/Twitter/Instagram?	En mi opinión Facebook etc es muy importante/útil/entretenido/divertido.
¿Podrías vivir sin tu móvil / tu tableta? ¿Por qué?	No podría vivir sin mi móvil. Soy adicto a mi móvil. Lo uso todos los días para contactar con mi familia y es muy importante para buscar información, ayudar con los deberes

Key Questions: Answer the following in your own words. Use these model answers	
Describe una fiesta popular en España	Una fiesta muy popular en España es la Tomatina. La gente celebra la Tomatina en Agosto en Buñol cerca de Valencia. Durante la fiesta, la gente tira tomates, hay desfiles y bailes, se puede comer comida tradicional, la gente lleva disfraces. Después de la fiesta las calles están llenas de tomates. Es mi fiesta española favorita porque es muy entretenida y cómica.
Describe una fiesta popular en tu país	En Inglaterra celebramos la fiesta de Fuegos artificiales. Cada 5 de noviembre, celebramos el día de Guy Fawkes. Durante la noche, la gente va a parques o el centro de la ciudad y hay muchos fuegos artificiales. Celebra la noche cuando Guy Fawkes intentó poner fuego al gobierno de Inglaterra. Es muy entretenida y cómica.
Describe tu experiencia la última vez que fuiste a una fiesta en tu país	La última vez que fui a una fiesta en Inglaterra fue muy entretenida y cómica. Fue en Noviembre cuando celebramos la fiesta de Guy Fawkes. Fuimos en el centro de la ciudad o el parque para ver muchos fuegos artificiales. Fue muy entretenido, porque comí algodón de azúcar y pasé la noche con mis amigos.
¿Qué diferencias notas entre la vida española y la vida de tu propio país?	La vida en España y en Inglaterra es un poco diferente. En España se come una dieta mediterránea, la gente come muchas frutas, verduras, mucho pescado y aceite de oliva. En Inglaterra comemos más patatas fritas y más carne y menos frutas y verduras. En Inglaterra los jóvenes suelen llevar uniforme para ir al colegio pero en España los jóvenes no llevan uniforme. ¡Qué bueno! También, en España los jóvenes de 17 o 18 años no suelen emborracharse durante el fin de semana pero en Inglaterra hay más problemas con los jóvenes y el alcohol.

Key Questions: Answer the following in your own words. Use these model answers	
¿Cómo es tu casa y describe la casa de tus sueños? ¿Compartes piso? ¿Qué piensas de tu casa?	Vivo en una casa adosada en las afueras de Swindon. Mi casa tiene dos plantas. Abajo tenemos una cocina grande, un cuarto de baño pequeño y el salón acogedor. Arriba tenemos el dormitorio de mis padres y mi dormitorio. También tenemos un jardín enorme detrás del jardín con muchos árboles y flores. La casa de mis sueños estaría en los Estados Unidos, cerca de Los Ángeles en California. La casa de mis sueños estaría en la costa cerca de una playa bonita. La casa tendría una piscina enorme, cuatro plantas y un garaje doble. Habría mucho espacio para todas mis cosas y todos mis coches. No tengo que compartir mi dormitorio pero cuando era joven tenía que compartir mi dormitorio con mi hermano Lo que me gusta de mi casa es que está cerca de mis amigos y es bonito y caliente en invierno. Lo que me molesta de mi casa es que la cocina es muy vieja (tenemos que renovar la cocina) y también lo que odio es que no tenemos mucho espacio en el salón.
¿Cómo es tu habitación, donde está tu casa exactamente?	Mi habitación está arriba/en la segunda planta. Mi habitación está cerca del cuarto de baño y la habitación de mis padres. Me encanta mi habitación porque no tengo que compartir con mi hermano. Me encanta mi habitación porque tengo muchos posters de mis grupos favoritos y mi consola porque me encanta jugar con video-juegos.
¿Cómo es/era tu pueblo/región ahora/antes y como era en el pasado? ¿tu opinión de tu pueblo? ¿Qué puedes hacer en tu pueblo? ¿Qué hay en tu pueblo?	Mi pueblo se llama Swindon. Está en el sur-oeste de Inglaterra. Creo que mi pueblo es muy industrial y poco bonito. En el centro hay muchas tiendas de ropa donde se puede ir de compras durante el fin de semana. También hay buenas instalaciones si te gusta hacer deporte. Hay muchos polideportivos donde se puede ir al gimnasio, hacer musculación y hacer deportes de equipo. Antes el barrio era más bonito que ahora. Antes había muchas granjas y había mucho campo pero ahora hay más edificios, más industria y más contaminación del aire. Antes no había tanta contaminación del aire o basura en las calles pero ahora hay más basura y contaminación. Lo que me gusta/me chifla/me mola de mi barrio es que es/hay...

Key Questions: Answer the following in your own words. Use these model answers	
¿Llevas una vida sana? ¿Comes demasiada comida rápida?	Pienso que llevo una vida sana. Todos los días como un poco de fruta y bebo agua que es sano aunque de vez en cuando como las patatas fritas que son grasientas y malsanas. Solo como la comida rápida a menudo porque lo que no me gusta es la comida grasienta. No fumo y nunca voy a fumar. Es asqueroso pero mi padre fuma. Hago también mucho ejercicio. Ayer comí una ensalada que fue muy sana y hice ciclismo y deporte en colegio.
¿Cómo te mantienes en forma? ¿te acuestas tarde? ¿haces ejercicio?	Creo que como suficiente fruta y verdura porque como frutas y verduras todos los días. Mi fruta favorita es la manzana porque es dulce y fácil a comer, aunque como bastante comida rápida también. Ayer para la cena comí dos manzanas y un plátano. ¡Qué sano! Cuando tengo calor bebo mucha coca light con hielo sin embargo los gaseosas/las bebidas azucaradas no son muy sanas. Cuando tengo frío bebo chocolate caliente con mucha leche que es delicioso. Ayer bebí demasiado coca light Normalmente hago bastante ejercicio, que es muy sano. Todos los días voy a pie al colegio y los fines de semana hago ciclismo con mis amigos en el campo que es entretenido y bueno para el cuerpo/la salud. No me acuesto tarde durante la semana. Me acuesto a las diez pero los fines de semana me acuesto a los doce de la noche porque veo películas y videos de Youtube en mi móvil. Ayer me acosté a las once.
¿Qué comes para el desayuno, la cena, tu almuerzo? ¿es sano?	Para el desayuno, como normalmente los cereales que son deliciosos con zumo de naranja. Para la cena como normalmente carne con patatas y verduras con mi familia en casa que es un poco sano. Para mi almuerzo, como un bocadillo con jamón y queso en el colegio con agua o coca. Ayer desayuné ... cené ...comí para mi almuerzo ...
¿Crees que es necesario llevar una vida sana/es necesario para los jóvenes llevar una vida sana?	Creo que es muy importante llevar una vida sana/Creo que es muy importante para los jóvenes llevar una vida sana. Es importante llevar una vida sana para ayudar con el trabajo en el colegio, para mantenerse en forma, para no ser gordo, para tener un buen aspecto físico, para mantener una buena salud, porque ayuda con tus estudios

1. Gross Profit Margin	
	Explanation
Gross profit	Gross profit is the difference between a product's selling price and what it costs the business to manufacture/purchase.
Gross profit margin	The percentage of gross profit made from the sales revenue for a product.
Gross profit margin calculation.	Gross profit margin = $\frac{\text{Gross Profit}}{\text{Sales revenue}} \times 100$

2. Net Profit Margin	
There are three main types of production:	
Type of Production	Advantages and Disadvantages
Job Production	Advantages: Highly flexible; gives the customer exactly what they want. Disadvantages: High production costs. Skills may be in short supply, making it hard for the business to grow
Batch Production	Advantages: Gain some cost advantages from producing several items at once...yet still able to offer customers the colour/size they want Disadvantages: May be limited scope for automation, making production costs far higher than with flow production. Not as flexible as job production.
Flow Production	Advantages: Can automate production fully, making it highly cost effective (which should be good for customers as well as suppliers). Many customers value consistency, and flow will provide an identical product each time. Disadvantages: Likely to be expensive to set up and inflexible to use; could be a disaster if a product life cycle proves much shorter than expected. Lacks flexibility in terms of meeting individual customer needs.

2. Procurement – Working with Suppliers	
There are five main factors at the heart of a relationship between a company and its suppliers:	
Quality	Suppliers must supply high quality products to businesses, suppliers will struggle to maintain a good relationship with a company if they are not supplying good durable products. First and foremost suppliers must supply high quality materials to businesses.
Delivery	Suppliers must deliver on time to clients, there is little point supplying at the right price and with the right product, if the product doesn't arrive on time. Failing to deliver supplies on time can bring manufacturing to a halt or leave shops with empty shelves.
Availability	Suppliers must be available and able to cope with varying orders in a timely fashion and sometimes within a short timeframe. Suppliers must be flexible and aware of the needs of their customers.
Cost	Cheaper supplies mean lower variable costs and higher profit margins. Therefore, the price charged by a supplier will be a key factor in the relationship between a firm and its suppliers. Price to high and firms may look to alternative suppliers, price to low and firms may question the quality of merchandise. Pricing is key to the relationship between supplier and firm.
Trust	Trust is key for the relationship between firm and supplier. Most business transactions are on credit and not cash – therefore suppliers have to be able to trust that a firm will make a profit and be able to pay them back in cash.
8. Placing Strategy – Managing Quality within a Business	
Type of Quality Control	Explanation:
Quality Control	Quality control is a system of inspection to try to make sure that customers don't experience a poor-quality product or service. Such controls may include Factory Inspectors at the end of a production line checking the quality of a product
Quality Assurance	Quality Assurance describes the system put into place by a company to assure quality within the production system. Every member of staff will have responsibilities to quality assure products. Over time this should lead to quality products as people become better at their roles.
Quality Culture	Quality culture means the general attitudes and behaviours among staff within a workplace is focussed on high quality production. Quality culture describes motivated, punctual, diligent and invested employees who care about the business and strive to improve it.

9. The Sales Process

Term	Definition
Customer Engagement	The attempt to make a customer feel part of something rather than an outsider.
Customer Feedback	Comments, praise or criticisms given to the company by its customers
Post-Sales Service	Service received after the purchase is completed because something has gone wrong or as a way of promoting customer engagement
Product Knowledge	How well staff know all the features of the products and service issues surrounding the products.

9. Customer Service

Great Customer Service is pivotal to any successful business, but there is far more than that to the sales process. To succeed in sales, a business must make sure it provides:

Component of Customer Service	Term
Product Knowledge	Customers expect that staff will be sufficiently well trained and well-motivated to have good knowledge of the products and services being offered. In order to ensure staff, have good product knowledge, certain things are essential: Good Training – if businesses provide good training to staff, then staff will be knowledgeable about products and therefore will be able to improve the customer experience Loyal Staff – The longer staff stay working in a job the better they become. If staff only stay three to six months, they will never develop a rich understanding of the products and services that the business provides. Well managed businesses pay fairly and treat staff with respect. Committed Staff – Committed and enthusiastic staff are crucial to the smooth running of any business. This is affected by the quality of recruitment, the standard of training and the overall culture that exists within the company's workforce.
Speedy and Efficient Service	Good customer service is designed for the customer not the company. Efficient service: Gets products to customers exactly when you want them Gets products to customers in good condition If there is anything wrong - it will be sorted out as soon as possible and considerably
Customer Engagement	In the world of social media, it becomes possible to try to keep customers engaged with the business on a regular basis. Companies engage customers in a variety of ways: E-Mail Social Media (Facebook and Instagram) Post Text Television/Web advertisements. It is vital that customers feel up to date and informed about any product innovations
Responses to Customer Feedback	How companies respond to customer feedback is vital, providing great customers service where people feel listened too ensures customers continue to come back and buy products from the business. It can cost a lot of money to persuade new customers to come advertising is expensive and it's affects are hard to judge. Building up a reputation for responding to customer feedback can travel by word of mouth and this is much cheaper.

What we are learning this term:

A. Proteins B. Carbohydrates C. Fibre & Water D. Fats E. Minerals F. Vitamins

A. Proteins – contain amino acids		B. Carbohydrates – used for energy		D. Fats		F. Vitamins	
							
Used for growth, repair and maintenance of the body.		Sugars – digested quickly & energy released quickly. Monosaccharides or Disaccharides		Needed for vitamins, insulation (warmth) and protecting your bones & organs, making cholesterol.		Micronutrients which help the body to function.	
Source 		Source 		Saturated Fats		Unsaturated Fats	
Excess 		Starch – digested slowly & energy released slowly. Polysaccharides.		Usually come from animal sources		Mostly from vegetable sources.	
Deficiency 		Source 		Excess 		Obesity, Type 2 Diabetes, higher Cholesterol (increased risk Coronary Heart Disease).	
High Biological Value Proteins 		Excess 		Deficiency 		Vitamin deficiency, weight loss, less insulation / bone & organ protection.	
Low Biological Value Proteins 		Deficiency 		E. Minerals		Found in fatty food. Stored in fat tissue if not used up.	
Protein Completion: when you combine LBV proteins to get all the essential amino acids.		Glycaemic Index (GI): show how quickly carbohydrates affect blood sugar levels.		Calcium		For good eyesight, healthy immune system / skin	
C. Fibre & Water		Fibre		Iron		Helps absorb minerals (especially calcium)	
- Helps with digestion - Prevents constipation - Found in fruit, pulses, nuts, veg, wholegrain foods		Water		Sodium		For healthy skin, eyes & immune system	
- Helps get rid of waste & digest food - Controls body temperature 6-8 glasses of water a day - More during a hot day or exercising				Phosphorus		Helps heal wounds, keeps immune system / bones healthy	
				Fluoride		Water Soluble Vitamins	
				Iodine		Vitamins that dissolve in water & lost through urine – need to take daily! They are also lost when fruit and vegetables are exposed to air.	
						B	
						B1, B2 & B3	
						B9 & B12	
						C	
						Antioxidants	
						Vitamins A, C & E are antioxidants which may protect cells from free radicals - chemicals you encounter every day.

Materials and properties	
Strength	Ability of a material to withstand compression, tension, torsion, bending, and shear.
Hardness	Ability to withstand abrasion and wear and tear.
Toughness	Materials that can withstand impact, or are hard to break or snap are tough & can absorb shock.
Malleability	Being able to bend or shape easily would make a material easily malleable
Ductility	Materials that can be stretched along their length are ductile
Elasticity	Ability to be stretched and then return to its original shape

This test can be used to measure elasticity if you measure how much it springs back

Technical drawing questions

Always use pencil and ruler.
Always draw faint guide lines first.

If you are asked to draw isometric, they will give you isometric grid paper. Follow the lines on the grid paper.

Use a 45 degree line to bounce the guidelines from the top view to the side view

	Common exam question types
Identify which tool/ process/ property is needed	Consider the context of the question and underline the key information. If you are stuck on a tool/process question, think back to what we have used in the workshop. State your answer in a few words.
Analyze / evaluate products	Read the context, is it asking you for the pros and cons of the product or to explain how it is constructed? Underline the key words. Key areas to analyse are; structural features, mechanical features, electrical features, material choices, mechanical properties.
Compare / contrast products	Read the context, are they asking you to talk about just the pros and cons or are they talking about how one product is a development of the other? Key points: engineers now have a better range of materials to choose from, electronic components are now smaller and more powerful, modern products can be less durable and recyclable, modern designers can use CAD/CAM.
"Describe using notes and sketches" question	Read the question and underline what process they are asking you to describe. What would be reasonable for an engineer to do in that situation? 1. Break your process down into stages – 1.2.3 etc. For example, Stage 1. Place metal in vice 2. Draw quick diagrams of each step with annotations to show meaning 3. Make a list of the equipment needed for the process

Form and Structure:

The piece is in **Binary Form (AB)**

Section A = 16 bars

Section B = 24 bars

Each section is repeated which makes the **overall structure AABB**

Context/Background:

Written in **1738-39** by **Johann Sebastian Bach**

Baroque Music - last in the suite called
Orchestral Suite no.2

Instrumentation:

Transverse **Flute** (woodwind)

Violin 1, 2 Viola (strings)

Cello and Harpsichord (forming the
basso continuo)

Dynamics:

Forte

(loud) -
not
marked on
the score.

f

Tonality:

Section A = Bm - A major - F#m

Section B = Fm - Em - D major - G major -
D major - Bm

Texture:

Homophonic = **melody and accompaniment** (flute/cello) and
other instruments provide the
harmony

Harmony:

Diatonic throughout - mix of root
position and inversion chords.

Neapolitan 6th chord in bar 35 (section B)

Both section A and B use **imperfect
cadences and perfect cadences**

Melody: built on 2 motifs - **X and Y**

Motif X = **disjunct**, mix of **semiquavers and quavers/crotchet** at the end. Mostly **descending arpeggio pattern**

Motif Y = mix of **conjunct/disjunct, semiquavers/quavers** pattern

Metre / Rhythm

2/4 simple duple time which means **2 crotchet beats per bar.**

2
4

Ostinato rhythms used that form **motif x and y**, both motifs using quavers and semiquavers mostly

both sections/motifs begin with an **anacrusis (upbeat)**

Question	Answer	Question	Answer
This piece is in Binary form . Explain what binary form means.		Which key term best describes the dynamics (even though they aren't written on the score)	Piano Forte
How many bars long is section A ?		How many bars long is section B ?	
Each section in Badinerie is repeated, circle the correct symbol that shows this	  	Which two instruments come together to form the basso continuo ?	
Define simple duple time		Both motifs begin with an anacrusis , what does this mean?	
State the name of the Minor key this piece of music is in		Section A modulates through which key? Underline the correct answer	A minor A major D major G major
Give an appropriate tempo for this piece		What year was this piece composed ?	
Which two note values form the basis of motif X and Y .		From which larger work does this belong to?	
Section A begins in B minor (tonic) and ends in F# Minor , state the relationship between these two keys.		Give the full name of the composer of this piece.	

Africa: Knowledge Organiser

Tempo:

The tempo of the song is **moderately fast**

Metre and Rhythm:

2/2 time signature (cut/split common time) - which means 2 minim beats per bar
Distinctive **ostinato rhythms** for both **riff a and b**, using almost only quavers and constant **syncopation**
Vocal rhythm in the verse is **syllabic with occasional melisma** at the end of the lines

Texture:

Homophonic (melody and accompaniment) throughout

Instrumentation:

Rock Band set up including drum kit (and additional percussion), lead guitar, synthesizer, male vocals, backing vocals and bass guitar

Dynamics:

Mezzo-forte (medium loud) for most of the song, choruses are **forte** (loud)

Tonality and Harmony:

Much of the song is in **B major** (Verses etc)
Choruses are in **A major**

Harmony is diatonic throughout

Melody/Pitch:

Mainly **conjunct (step)** with **wide vocal range** throughout (2 octaves) and vocal **improvisations** at the end (chorus 3 and outro)

Riff b - uses E major pentatonic scale.

Background / Composers:

Soft Rock song, composed by **David Paich and Jeff Porcaro** in **1981**, released **1982**

Structure:

Piece is strophic (verse/chorus form)

Verse / Chorus Form:

Intro	Bars 1 - 4	4 bars
Verse 1	Bars 5 - 39	35 bars
Chorus 1	Bars 40 - 57	18 bars
Link 1	Bars 58 - 65	8 bars
Verse 2	Bars 14 - 39	26 bars
Chorus 2	Bars 40 - 57	18 bars
Link 2	Bars 58 - 65	8 bars
Instrumental	Bars 66 - 82	17 bars
Chorus 3	Bars 40 - 92	22 bars
Outro	Bars 93 - 96	4 bars

Africa: Knowledge Organiser

Harmony:

Diatonic; mixture of root position and inverted chords.

Riff a can be heard during the intro, verses, link sections, instrumental and outro. This riff uses a three-chord pattern: **A – G[♯]m – C[♯]m**.

Choruses use a standard chord pattern: **vi (F[♯]m) – IV (D) – I (A) – V (E)**.

The **harmonic rhythm** (the rate of chord change) is mostly once per bar.

What we are learning in LAA:	
A. Key words B. Definitions of health and wellbeing C. Genetic inheritance	
A.	Key words for this Unit
Genetic inheritance	The genes a person inherits from their parents
Predisposition	Someone is more likely to suffer from a particular condition
Chronic	Gradual illness that is long term (longer than 3 months) and generally can be treated but not cured
Acute	A short-term illness that can be cured
Monitor	To check progress over a period of time.
Person-Centred	Planning care around the wants and needs of a service user
Bereavement	The process of coming to terms with the death of someone close.
Circumstances	Events that change your life, over which you have no control
Physiological	Relates to how a person and their bodily parts function normally.
Interpret	understand an action, mood, or way of behaving as having a particular meaning
Collaboratively	Working well together with other people or services
Obstacles	Difficulties a person might face when they implement a plan.
Goal	What you want to achieve in the long term
Norm	Something that is usual, typical or standard
Targets	Challenges to help you reach your goal

B	Definitions of health and well-being	
Positive Definition		Looks at how physically fit and mentally stable a person is. You have a positive attitude towards health and wellbeing if you realise that there is something you can do to improve your health and wellbeing and do it.
Negative definition		Looks at the absence of physical illness, disease, and mental distress. You have a negative attitude towards your health and wellbeing if you: • Base your attitude on not having anything wrong with you. • Continues as you are- Inc. keeping bad habits like smoking. • Assume that because you currently feel fine you will stay healthy in the future.
Holistic definition		It is a combination of physical health and social and emotional wellbeing. It is not just the absence of disease or illness; it looks at all aspects of a person's health and wellbeing. You have a holistic attitude towards health and wellbeing if you look after your: • Physical Health: Be meeting the needs we have to keep our bodies working as well as they can, e.g. Food, water, shelter, warmth, clothing, rest, exercise and good personal hygiene. • Intellectual health: By meeting the needs we have to develop and keep our brains working as well as possible; these include mental stimulation to keep us motivated and interested. • Emotional aspects of wellbeing: By meeting the needs we have that make us feel happy and relaxed, e.g. being loved, respected and secure. Knowing how to deal with negative emotions, having positive self-concept and being respected by others. • Social aspects of wellbeing: By meeting the needs we have to help us develop and enjoy good relationships with others, including mixing with others in appropriate environments and having access to leisure facilities/ activities.

C.	Genetic inheritance		
Inherited physical Characteristics		Genes and environment	
• Children inherit their physical; characteristics from their parents e.g. height, skin and eye colour and hair type and colour. • These characteristics can affect social and emotional wellbeing because they influence a person's self-concept (self-image and esteem).		• Chromosomes carry genes that determine aspects of persons physical makeup. • Gene is a section of DNA that carries a code. Different versions of a gene are called alleles (they can be faulty). • Environmental factors such as diet, also influence physical appearance. For example, a person may not grow to their full, genetically determined height if they do not have enough food.	
Allele type	Dominant: If a gene is dominant a child inheriting it from only one birth parent will have the condition, e.g Huntington's disease.	Effects of inherited disorders	• Physical health: Body systems, growth and mobility • Intellectual wellbeing: learning, thinking, problem solving and decision making. • Emotional wellbeing: how people feel about themselves. • Social wellbeing: the ability to build relationships and maintaining them.
	Recessive: If the gene is recessive a child would only develop the condition if it was inherited from both birth parents, e.g. Cystic fibrosis.

What we are learning in LAA:

- D. Balanced diet
- E. Chronic and acute illness
- F. What are the effect of exercise?
- G. What are the effect of excessive substance use?

D.	Balanced diet
What is a balanced diet?	- Diet that contains the correct nutrients in the right proportions to keep out bodies and minds healthy. - It is also a lifestyle choice - Choosing to eat too much or too little might make us less able to take all the opportunities that life offers.
Overweight or underweight may:	A person over weight or under weight may: - Be prone to illness and conditions - Have their life expectancy reduced - Be less able to exercise effectively - Miss out on learning experiences - Miss out on some sporting activities - Be less successful in job interviews - Feel embarrassed and self-conscious about their appearance in social situations.
Essential parts of a healthy diet:	- Fats (saturated and unsaturated) - Carbohydrates (sugars and starches) - Minerals - Vitamins - Proteins
Est well guide says you should eat:	- Eat at least 5 portions of a variety of fruit and vegetables every day. - Base meals on potatoes, bread, rice, pasta or other starchy carbohydrates; choosing wholegrain versions where possible. - Have some dairy or dairy alternatives (such as soya drinks); choosing lower fat and lower sugar options. - Eat some beans, pulses, fish, eggs, meat and other proteins (including 2 portions of fish every week, one of which should be oily). - Choose unsaturated oils and spreads and eat in small amounts. - Drink 6-8 cups/glasses of fluid a day.
If you eat more than you need:	- The body will store food as fat and this can lead to: - Obesity, heart disease, high blood pressure, Strokes, Tooth decay or cancer
If you eat less than you need	- The body does not get enough nutrients to grow and develop properly and this can lead to: - Eating disorders, stunted growth, anaemia, heart failure, depression, tiredness, cancer or rickets.

E	Chronic or Acute Illness
Chronic illness- Illness comes on gradually, is long term (more than 3 months) and generally can be treated but not cured. E.g Asthma, Diabetes, epilepsy, bipolar disease, Alzheimer's disease	Acute illness- Illness comes on quickly, is short term and can be cured. E.g. Cold, flue, broken bones, heartburn, appendicitis or Diarrhoea.
Some chronic conditions are acute but may develop because of chronic conditions. For example: osteoporosis (a chronic condition that weakness bones) masking their bones fragile and more likely to break. Broken bones are then an acute condition.	
Possible negative effects of chronic illness	
Physical: - poor rate of growth - Unusual physiological change during puberty - Restricted movement	Emotional: - Negative self-concept - Stress - Decision making
Intellectual: - Disturbed learning because of missing school - Difficulties in thinking and problem solving - Memory problems.	Social - Isolation - Loss of independence - Difficulties developing relationships

F.	What are the effect of exercise?
Positive effects of exercise	Physical: maintain a healthy weight, reduce BMI, boosting energy levels. Improved flexibility, stamina, endurance and stronger bones and muscles. Reduce risk of heart disease and diabetes. Intellectual: improved brain function like mentor and thinking skills. Emotional: improves confidence and mood and reduces stress. Aid relaxation and sleep and lead to better self concept. Social: encourages social interaction, reducing isolation and improving social skills.
Negative effects of exercise	Physical: Obesity and associated health problems. Intellectual: Reduced pain performance, hard to concentrate and retain information. Emotional: poor self-concept and reduced ability to cope with stress. Social: Fewer opportunities for social interactions.

G.	What are the effect of excessive substance use?
Negative effects of excessive alcohol consumption	Physical: Alcohol dependence, damage to major organs: liver, heart, kidneys, pancreas. Cancers: mouth, throat, oesophagus, liver, breast. Infertility and impotence, weight gain. Intellectual: difficulty in making decisions, depression and anxiety, chance of stroke and brain damage, impaired brain development of unborn baby. Emotional: poor self-concept, poor judgement leading to a risk of accidents and unsafe sex, can have an impact on relationships, depression. Social: breakdown of relationships, domestic violence, social isolation

- H. The effects of social interactions on wellbeing
- I. What are the effects of stress on health and wellbeing
- J. What are the hazards of smoking
- K. What are the effects of personal hygiene

H. The effects of social interactions on wellbeing

Social integration
When people feel they belong to a group and can interact with others. Social interactions can happen between family members and friends, work colleagues, school learners, members of a community or interest groups.

Social isolation
Occurs when people do not have regular contact with others. This may be because they don't go out much because of physical illness, reduced mobility or unemployment. They might have a difficulty in communicating if they have a mental illness, depression or learning difficulties. Lastly, a person might be discriminated against because of culture, religion or disability.

Positive effects of relationships

Physical: physical support and day to day care and practical assistance.
Intellectual: shared experiences, supported learning and thinking
Emotional: unconditional love, security and encouragement, positive self-concept, feeling content, ability to build relationships with people outside the family, independence and confidence.
Social: Companionship, social circle increases.

Negative effects of social isolation

Physical: poor lifestyle choices like smoking and drinking, poor diet that can cause eating disorders.
Intellectual: reduced ability to use thinking skills, missing school/work
Emotional: feelings insecure, depression, anxiety, negative self-concept, feeling of hurt, loneliness and distrust, lack of independence, difficulty in controlling emotions.
Social: difficulties in building relationships as lack skills.

I. What are the effects of stress on health and wellbeing

Physical effects

Increased heartbeat
Increased breathing rate
Tense muscles
Sweaty palms
Dry mouth
High blood pressure
Loss of appetite
Sleeplessness
Digestive problems

Intellectual effects

Forgetfulness
Poor concentration
Difficulty in making decisions

Emotional effects

Difficulty in controlling emotions
Feeling insecure
Negative self-concept
Feeling anxious and frightened
Loss of confidence

Social effects

Difficulty in making friends and building relationships
Breakdown of close relationships
Social isolation

J. What are the hazards of Smoking

Heart disease and poor circulation mean:
• increased blood pressure
• increased risk of heart attack
• narrowing of the arteries.

Carbon monoxide causes:
• decreased oxygenation
• poor growth
• extra work for the heart
• increased risk of thrombosis.

Exposure in childhood means that children:
• are prone to chest infections and asthma
• tend to be smaller and weaker
• do less well at school.

Irritant particles cause:
• bronchitis
• emphysema
• asthma
• smoker's cough.

Nicotine causes:
• addiction
• increased blood clotting leading to thrombosis.

Conditions such as:
• stroke
• gum disease.

Tar causes cancers of the nose, throat, tongue, lungs, stomach and bladder.

The hazards of smoking

Exposure in pregnancy causes:
• smaller babies
• more stillbirths
• more miscarriages.

Smokers':
• breath and clothes smell of smoke
• hands and nails are nicotine stained
• faces often become wrinkled from the effects of smoking.

K. What are the effects of Personal Hygiene?

Positive effects of good personal hygiene

- Helps prevent the spread of infection
- Improves self-concept
- Reduces number of bacteria that lives on us.

You must:

- Brush you teeth
- Shower daily or bath
- Wash your hair regularly
- Keep fingernails and toenails clean and trimmed

Negative effects of poor personal hygiene

Physical: catching and spreading disease like food poisoning, sore throat, meningitis and athlete's foot. Bad body odour, bad breath and tooth decay.
Emotional: loss of friendships and social isolation. Might be bullied and poor self-concept.
Social: low social interactions as people don't want to be friends with someone that neglects their hygiene. Social isolation.

When caring for others:

- Bad hygiene can stop effective communication.
- Negative effect on the person being cared for and their health and wellbeing- pass on infection
- Discomfort for the person being cared for because of the odour or visible dirt under fingernails.

What we are learning in LAA:

- L. What are the barriers to seeking help.
 M. What are the effects of unexpected life events on health and wellbeing
 N. What are the effects of economic factors (e.g, income) on health and wellbeing
 O. What are the effects of expected life events on health and wellbeing

L. What are the barriers to seeking help.

Culture	Accessing HSC services can be influenced by values, traditions, way of life and beliefs of the society or group. - Some may have received discrimination when accessing other services. - Some may not speak English well enough. - Values and traditions not understood e.g. eye contact means respect in some cultures but not others. - Some cultures a woman must be treated only by a female professional. - Alternative therapies are used in some cultures
Gender	Research shows that men are less likely to talk about their health and wellbeing than women. This is because men are: - Often less open about their feelings - Sometimes reluctant to appear vulnerable by asking for help - Not aware of poor health signs as health campaigns target women's health more - Unhappy to be examined by a female health worker.
Education	Research shows that people who are better educated are more likely to seek help. This is because: - They like to research symptoms and know when help is needed - Understand the importance of early diagnosis and treatment - Know how and where to access services.
Stigma	In some cultural groups there is a stigma attached to certain conditions like depression. Stigma is a word used to describe something that people feel embarrassed about. Therefore, they wouldn't seek help.

M. What are the effects of unexpected life events on health and wellbeing

Life event	Positive Effects:	Negative Effects:
Imprisonment	- Depression - Loss of contact with family and friends - Social isolation - Restrictions on physical activity	- Opportunity to study - Improvement in health through balanced diet, lack of alcohol, reduced use of nicotine
Redundancy	- Poor self-concept - Anxiety about finances - Fewer opportunities	- Opportunities to study or train for a new job - More time to spend with family and friends
Exclusion or dropping out of education	- Loss of contact with friends - Social isolation - Poor self-concept - Lack of learning opportunities	- Catalyst for change of behaviour - Opportunities for more suitable study or work situation

N. What are the effects of economic factors (e.g, income) on health and wellbeing

	Positive Effects:	Negative Effects:
Physical	- Better financial resources can result in good housing conditions and healthy diet - Manual jobs may improve muscle tone and stamina.	- Low wages can affect diet and housing, leading to poor health. - Manual jobs can cause muscular and skeletal problems - Desk jobs lead to less activity and weight gain.
Intellectual	- Better financial resources can result in more leisure time for intellectual activities - Work, education or training helps to develop problem solving and thinking skills	- Some people work very long hours to improve their financial position, leading to less leisure time and reduced learning opportunities. - Being unemployed can result in poor mental health.
Emotional	- A well-paid job gives a feeling of security. - Being financially secure promotes positive self-concept	- Financial worries can result in stress and breakdown of relationships. - Unemployment or low-status work can lead to low self-concept
Social	- Better financial resources provide opportunities for socialising. - Work gives opportunities for socialising with colleagues.	- Lack of financial resources reduces opportunities for socialising. - Unemployment reduces opportunities for relationships, leading to social isolation.

O. What are the effects of expected life events on health and wellbeing

Life event	Positive Effects:	Negative Effects:
Starting school, college or uni	- Build new relationships - Extend knowledge and learning - Develop new skills - Improve confidence	- Anxiety about new routines and meeting new people - Insecurity about leaving parents and other families
Start a new job or career	- Develop independence - Improve thought processes - Improve self-concept	- Stress about learning new skills and routines - Anxiety about meeting new people
Moving to a new house or area	- Excitement - Develop new friendships and relationships	- Unhappiness at loss of old life - Stress of moving - Social isolation
Retirement	- Reduced stress - Time to socialise with family and friends - Opportunities for leisure of physical activities	- Loss of relationships with colleagues - Possible loss of fitness and mobility - Loss of intellectual stimulation and status

What we are learning in LAB:

- A. Physiological health indicators
- B. What are health indicators?
- C. Interpreting lifestyle data

A.	Physiological health indicators
Pulse	Resting pulse rate is measured when a person has been still for about 5 minutes. Health reading for an adult is 60-100 bpm. Pulse rate during exercise: 220bpm minus the person's age.
Blood pressure	- This is the pressure exerted by blood against the artery walls. - It is measured in millimetres of mercury (mm Hg) and is shown in two numbers: - Systolic pressure: (the top number) is the maximum pressure in the blood vessels as the heart pushes out blood. - Diastolic pressure: (the bottom number) as the minimum pressure in the vessels when the heart relaxes between the beats.
Peak flow	- Measured how quickly you can blow air out of your lungs. - it is measured in litres per min (L/min).
BMI	Measures the amount of fat on your body in relation to your height to tell you if your weight is healthy.

B.	What are health indicators?
Importance of understanding indicators	- Detect health problems at an early stage - Track improvements or deterioration in health - Make recommendations about health and treatments - Give advice about future health risks - Support individuals to make different lifestyle choices.
What are lifestyle indicators?	- These indicators can be used to assess risks to an individual's health and wellbeing now and in the future. - Professionals collect information about lifestyle choices by asking about a person's: - Weekly alcohol consumption - Smoking habits - Levels of physical activity and exercise.
What are physiological indicators?	- They show how well the body's systems are functioning. - Health professionals check a person's health by taking measurements. - They compare the results with published guidance.

C.	Interpreting lifestyle data
Interpreting data on smoking 	- Smoking causes around 96,000 deaths in the UK annually. - Smoker under the age of 40 are 5 times more likely to have a heart attack than non-smoker. - Smoking causes 80% of deaths from lung cancer, 80% of bronchitis and 14% of deaths from heart disease. - More than 25% of all cancer deaths are caused by smoking. - On average a smoker will die 10 years earlier than a non-smoker. - Smokers are more likely to develop facial wrinkles. - Smoking is a cause of impotence and can lead to sperm abnormalities.
Interpreting data on alcohol 	- Strongly linked to at least 7 types of cancer - Alcohol-related liver disease accounts for 37% of liver disease and deaths. 2/3s of cases of chronic pancreatitis are caused by heavy drinking - You are between 2 and 5 times more likely to have an accident or injury - Each drink per day increases the risk of breast cancer in woman between 7-13% - Men and woman should not drink more than 14 units a week and not all in one go.
Interpreting data on inactivity 	- Increased risk of breast cancer by 17.8% and colon cancer by 18.7% - Increased risk of type 2 diabetes by 13%. - Increased risk of coronary heart disease by 10.5% - Leads to obesity and joint pain 16.9% of all premature deaths are caused by inactive lifestyle. - Active people have a lower risk of premature death. - People who are inactive visit their GP more often and they spend 38% more time in hospital.

What we are learning in LAC:		C.	Recommended action to meet health and wellbeing improvement goals	
A. What is a person-centred approach B. Health improvement plan C. Recommended action to meet health and wellbeing improvement goals D. SMART targets for health improvement plan E. Sources of support			<u>To lower blood pressure:</u> • Eat five or more portions of fruit and veg a day • Cut out salt • Use relaxation techniques to reduce stress • Join a gym • Drink water alongside alcohol to reduce consumption	<u>To reduce BMI:</u> • Reduce fat and sugar intake • Do not exceed the recommended daily calories intake • Get off the buss a stop early and walk the rest of the way • Drink water instead of sugary drinks.
Person-centred approach	A holistic approach that puts the individual at the heart of health care planning, so that the whole range of physical, intellectual, emotional and social health needs are met.		<u>To increase peak flow reading:</u> • Half the number of cigarettes smoked each day • Use nicotine replacement therapies • Join an exercise or dance class.	<u>To reduce pulse rate and improve recovery time after exercise:</u> • Walk for half and hour at lunchtime • Drink decaffeinated drinks • Take up a physically active hobby • Join a yoga group.
When planning for health improvements include:	• The needs: physical, intellectual, emotional and social. • The wishes: likes, dislikes, choices and desired health goals. • Circumstances: illness or disability, access to facilities, previous experiences, family and relationships, responsibilities.			
Benefits of person-centred approach:	• Will feel involved • Is more likely to trust a health professional who listen to them • Will feel more secure • Is more likely to follow the plan and achieve the targets • Will take responsibility for their own health.			
B.	Health improvement plan			
What is it?	Health and welling improvement plans are often based on an individual's physiological and lifestyle indicators. Plans should be person-centred and include goals, actions and targets and possible sources of support.			
The plan will identify:	• The health issues and goal • The recommended actions to take • A set of targets for health improvement • The supports that are needed • Possible obstacles to progress and way to overcome them.			
Positive effects of a health improvement plan	• Be fitter • Loose weight • Have improved self-concept • Lower blood pressure, healthier heart • Reduced risk of cancer • Taking control of their health outcomes and reaching health goals			
D.		SMART targets for health improvement plan		
<u>Specific</u>		The target must be clearly stated. It should say exactly what you mean, such as to 'lose 2 kg in weight in a week'. The target should be clear and not open to any misunderstanding.		
<u>Measurable</u>		A target of to 'lose weight' is too vague. A specific amount must be stated so you can prove you have met your target.		
<u>Achievable/attainable</u>		If you are following a health and wellbeing improvement plan you must feel it is possible to achieve it. If you do not, you will probably give up before you have even started. An achievable target is to 'lose 1kg this week'. An unachievable target would be to 'lose 20kg this week'.		
<u>Realistic</u>		The target set must be realistic in that you must be able to physically do it. It is not realistic to expect a person who is older and not very fit to run for 30 minutes a day to help weight loss, but it is realistic to ask the same of a fitter, younger person.		
<u>Time-related</u>		The target must have a deadline, so that you know when you need to achieve the target by, and progress can be assessed.		
E.		Sources of support		
Informal support		Informal support is the support an individual receives from partners, family and friends. It is usually the first form of support an individual experiences after and expected or unexpected life event. Informal support can provide reassurance, encouragement, advice, a sense of security, someone to talk through options with and practical help.		
Professions (formal) support		Formal support may be provided by statutory care services (the state), private care services and charitable organizations. Professional support may include counsellors, teachers, careers advisers, occupational therapists, social workers and health specialists. Professional support may be needed to help people with a health condition, regain mobility, deal with life changes and emotions, get advice and information or change their lifestyle.		
Voluntary support		Organizations offering voluntary support are charities, community groups and religious groups. At voluntary support services, many staff are volunteers (they work for free), but they also employ qualified people who are paid by donations. Community groups work at a local level to meet the needs of people living in a specific neighbourhood i.e. foodbanks. Religious groups are formed by people who share the same religious or spiritual beliefs but they help all people in need regardless of their beliefs and background i.e. a church run soup kitchen for the homeless.

F.	What are the potential obstacle to implementing plans?	G.	What are the possible obstacles to accessing services?		
Emotional/ psychological- Lack of motivation	- A conflict between choices such as worrying that giving up smoking could result in weight gain - Other priorities in a person's life- such as getting married or bereavement. - Having negative attitude- believing change will be too difficult - Lack of progress for example losing eight quickly in the first weeks but then slowing down. - Having a blip- thinking there is no point in continuing the plan after briefly returning to an old lifestyle.	Type of obstacle	Possible obstacles	Suggestions to overcome obstacles	
Emotional/ psychological- Low Self- concept	- People with low self-concept don't value themselves, - Feel powerless to change their lifestyle or that there's no point in starting because the task seems too big. - Some thin that because they were unsuccessful in other aspects of their life, they won't achieve their health goals. - They may not feel they have support and approval from family and friends even if they really do.	Geographical	Service is difficult to get to because of poor bus or train services.	- Arrange hospital transport - Suggest telephone helplines or internet support groups.	
Emotional/ psychological- Acceptance of the current state	- People my accept their present health problems or lifestyle choices, as it is easier to stay the same than to make changes. - Have no incentive to make a change because they do not understand the health risks. - Have no desire to change, for example, if they are happy with their weight or don't want to give up smoking.	Financial	- Charges to use the services - Time off from work would mean loss of pay	- Check for entitlements, such as medicines and treatments - Direct the person to advice on benefits and employee rights.	
Time constraints	People find that they do not have the time to achieve their health improvements targets because of: - Care of young children, family members that are not well. - Regular and additional work and study commitments - Domestic chores - Medical appointments	Psychological	Fear of being judged because there is stigma around a health problem (mental health, obesity)	- Talk about concerns and reassure - Direct the person to a charity that supports people with a particular health problem.	
Availability of resources	Financial obstacles: - Gym memberships, entry fee for a swimming pool - Cost of attending exercise classes - Cost of travel to the gym. pool or to attend health appointments - Higher costs of some healthy foods. - Lack of and the cost of exercise equipment	Physical	- Difficulty getting into the buildings where the service is provided (no wheelchair access). - No where to park near the service	- Be aware of services that are adapted for easy access - Ask a friend or family member to drop the person off at the service	
Unachievable targets	- Expectations too high - Targets are not clear - There are too many targets - Timing is wrong/poor	Personal needs	- Communication difficulties because of poor language skills, sensory or learning disability . - Concern that cultural needs are not understood	- Provide support services that meet the person's needs, such as a BSL signer, interpreter, advocate - Use anti-discriminatory practice and encourage others to do so	
Lack of support	- Diet- find it difficult if a person on a healthy eating plan is surrounded by others that eat junk food or tempted by the chocolate and biscuits in the cupboard, Family and friends go out for meals instead of doing other activities. - Smoking- friends and family smoking and offering them cigarettes. Lacking will power to quit. - Alcohol consumption- someone that is used to drinking with family and friends will find it difficult to stop without their support. It would be hard to quit if the family and friends drink wine with their meals, friends centre a night out around heavy drinking at pubs and clubs.	Resources	- Limits on services, such as support aids and equipment - Staff shortages, leading to long waits for appointments and support.	- Suggest sources of second-hand equipment - Look for alternative strategies, for example an exercise DVD if there are no places at an exercise class.	
Ability, disability and addiction	- Understand what they need to do - Learn how to make the required changes in their lives. - Any places the person uses are wheelchair accessible - Any exercise advised is wheelchair friendly. - If stop smoking, then can put on weight- put people off. - Like the way alcohol makes them feel but cant admit that they have a problem
