Sporting Results

Well done to our U14 girls football team, they won 4-0 in a competitive friendly match against hosts Nova this week. Congratulations to Aryam for getting MVP, and to Elsie for scoring a fantastic three goals, and Faith for powering through the defence to make it 4 – great effort girls.

It was great to welcome local Swindon schools to compete in our B Team tournament this week. It was a brilliant festival of football for the Year8s which they thoroughly enjoyed. The boys came away with a number of wins and draws – and didn't lose a game! Excellent work!

Thank you to those who have now signed up for the Severn Stars Vs London Pulse Superleague netball trip in April. All spaces are now filled. More information will follow to those on the trip.

In our Design and Art Department

This week students from our AZone came across to the main building and completed their practical food exam for their hospitality and catering qualifications. They spent the day off timetable creating a number of fantastic dishes. They were all made from scratch and included: curries, lasagnes, burgers and many other meals. The students did a brilliant job under pressure and should be really proud of their outcomes. The DT corridor smelt delicious all day!

Congratulations to.....

Congratulations to Mrs Boucher who joins SLT as an Associate Assistant Principal for the rest of the academic year. She is looking forward to supporting students further in her new role. She will work closely with the pastoral team at the Academy, and will strive to provide the students with the very best support and encouragement through the role. She will continue to be Head of Sport and Performance and working with Year11, so any communications regarding subject or Year11 will continue to be picked up and answers by herself.

COLLEGE CHAMPION

Warwick College have a new Champion to lead them. From Monday 6th March, Ms Ganney will take over the leadership of Warwick College following Mr Thomas's move to leading on Engineering.

maths INSPIRATION

INSPIRING MATHS LECTURE SHOWS FOR 15-17 YEAR OLDS

A number of pupils are travelling to reading University to take part in this event. Maths Inspiration is a national programme of interactive maths lecture shows for teenagers. We give 14-17 year olds a chance to experience the UK's most inspiring maths speakers presenting mathematics live in the context of exciting, real-world applications. Our shows are exceptional value for money.

THE WORLD'S BIGGEST DANCE EVENT

MOVE IT

On Friday 10th March a number of students are travelling to London for this exceptional dance event. They are guaranteed to have an amazing time. More on this next week.

ABC Week – Year 7

‘Paying it Forward to our Environment’

Year 7 ABC week aims to develop student understanding of community and the local environment, where their community is and of how they can contribute to the wider community and the local environment with their time.

Students will work together with members of the local community caring for the environment. We will watch the film Wall-E as a theme for the week. This is followed by a community litter pick, and guest speakers from the local authority waste management team on what happens to our waste and the impact of litter. Activities include, Gardening – Vegetable garden at the academy, Supporting Pinehurst Fun day, Hreed Burner Forrest rangers, Homes for Bugs, The Pod Big Lunch and Tree decorating.

This is followed up with trips and visits to local charities and meeting members of the local community.

Assemblies

The assembly this week was led by Mrs Lawrence. Years 7 to 10 came together Friday afternoon to hear important messages about appropriate use of online platforms. We all have a responsibility to 'Be Kind' to one another and this is no different when being online. In particular, pupils were asked to consider protocols about consent to share images online and the risks they faced in doing so.

Staying Safe A Generation at Risk

Do you behave differently online than you do in person?

- Set your profiles to private
- Anything you post can be shared
- Recognise the fakes
- Spring clean your contacts
- Block anyone that who bothers you
- Protect your identity
- Avoid the big risks
- Let your friends and family know about your online choices
- Watch out for suspicious messages

Young people are the demographic most likely to take and then share an image of somebody without their permission.

What happened last week for Year 11

We started the week with an assembly on procrastination how and why we all do it and tactics that we can do to reduce it . With their tutors' students started a 3-part programme on managing their mental health, they discussed what mental health was and having positive mental health . Year 11 had a great math's drop-down day on Thursday and took their first mock exam in physics .

Transition to Secondary

We are delighted that 190 First Choice Offers have been made for a place in year 7 starting in September 2023. We have sent an official welcome letter to all pupils that have successfully secured a place with us. Over the coming weeks, we will publish the events that will be taking place to support the transition process. We are really looking forward to meeting all of our new year 7's over the coming months.

Your Bright Future starts here

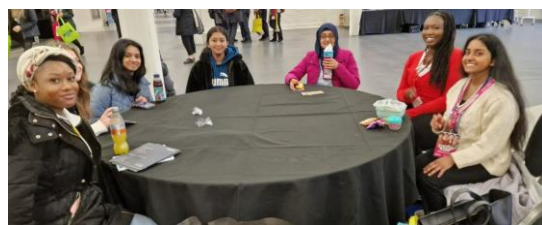

What happened last week in Sixth form

Year 13 have been helping to make positive change in the 6th form area by turning the silent study area into a library to make it a more relaxing and productive environment. On Monday students listened to an assembly on LGBTQ+ month where we discussed visibility within the community. On Tuesday, the up for discussion was on the changes made to Roald Dahl's books. On Wednesday the first 'Well-being Wednesday' which was a huge success. Students took part in Origami, mindfulness colouring, basketball, table tennis, Gaslands (a tabletop post-apocalyptic car game) and just dance. On Thursday many Y13 students came in to complete their coursework during the strike day and on Friday it was Mock The Week, a weekly quiz summarising the news of the week.

The new Sixth Form Library room

The Handmaid's Tale Lecture: Royal Holloway, University of London, delivered a lecture on The Handmaid's Tale to expand and consolidate student knowledge of the text.

Healthreach Workshop

A patient's journey: Students followed the journeys of patients during treatment and considered the multidisciplinary teams encountered along the way. They also started to learn some first aid, including dealing with asthma attacks and checking for vital signs. They also found out about heart rate, oxygen saturation and blood pressure.

Universities and Apprenticeship Fair year 12

Our year 12's spent the day thinking about their bright futures at the UK University and apprenticeship fair in Bristol. They had the opportunity to speak to lots of universities and attend seminars on the UCAS applications process, Student Finance, writing personal statements, student savings, social life, university rankings and making the most of Universities. There were also seminars on applying for apprenticeships, and Degree apprenticeships and the benefits of completing an apprenticeship.

What's coming up next week –

- 7th March – Dyson Robotics workshop
- 8th March – Alevel Maths inspiration trip

ATTENDANCE 100%ERS

A massive CONGRATULATIONS to the 119 students that are listed below – they currently have 100% attendance for the whole academic year - demonstrating resilience, determination and eagerness to learn.....

Options

The Options process starts this week for year 9. Pupils will have a series of subject assemblies over the course of this week. Parents are invited to attend a meeting on Monday 13th March for more information on the process.

On Thursday 9th March school finishes at 1.20pm for Staff Training.

This week is National Careers Week. We have a range of activities happening in school this week. Please take a look at the careers section in this newsletter.

Looking ahead:

Date	Event	Date	Event

15.03.23	Voluntary Parent Meeting Year 8	31.03.23	End of Term School finishes at 3.35pm

WHAT'S COMING UP?

At the time of writing, the Teacher Pay Strikes on the 15th & 16th March are still planned to go ahead. The industrial action is a result of a national dispute between the NEU and the government and is not specific to our school. The overwhelming majority of schools locally and nationally will be impacted but each school will have different arrangements for pupils due to the number of members of its staff who are likely to strike.

If the strikes do go ahead, the secondary academy will be closed to all but selected students and yr 11 and UCSF students who will be in the middle of their mock exams.

Following the release of Term 3 'On Track' reports there will be an opportunity for **Year 8** parents to book in to meet a member of SLT/College champion/GS Coordinator on Wednesday 15th March between 4pm and 7pm. **THIS EVENT IS VOLUNTARY AND UNLESS YOU HAVE ANY QUESTIONS YOU WANT TO ASK YOU DO NOT NEED TO BOOK AN APPOINTMENT.** To book an appointment you need to go to Epraise Community Parent's Evenings and SELECT YEAR 8 Parent. **The booking system will open on Wednesday 8th March.**

Year 10 Geography Trip to Bristol

120 Year 10 students have just returned, having had a wonderful time exploring the Geography and History of Bristol's historic harbourside and the modern Cabot Circus. Students enjoyed a boat trip, showcasing the redevelopment from historic dockyard to a place of modern shops and flats; knowledge which they will use in their GCSE Geography Exams.

En route, students stopped to learn what happened at the plinth, from where the statue of Edward Colston was pushed to the ground and thrown in the Bristol docks as part of the George Floyd protests related to the Black Lives Matter movement. Students also explored Bristol's past in the M Shed Museum. Students later enjoyed time in Cabot Circus studying the redevelopment of city centres, as well as spending a little time for shopping.

Year 9 Options Information - Update

Year 9 students have received their options booklets on Friday last week, the booklet contains all the information regarding individual subjects and the options process. (If the booklet is lost or they have not received it, we will have spare copies in subject assembly on Monday).

Key dates for Options events:

Monday 6th March - Year 9 Options Launch and Subject Assemblies, Explore, Research and Action Activities and the Options Booklet Published and shared via epraise.

Monday 13th March - Options Evening 6pm Swindon Academy and the Option selection form opens

Monday 20th March - Option selection form closes.

Monday 17th April - Option choices team review choices and meet with students where necessary.

Please contact me via epraise message with any questions.

Attendance World Cup
Imperial 7 finally celebrated winning the Attendance World Cup with a Pizza Party this week. Their outstanding attendance saw them lift the trophy which is now displayed in the attendance office.

World Book Day

This week we are celebrating World Book Day with a competition. Staff dressed up as book characters. Around the school were hidden book covers. Students needed to find the book covers and write down where they found it. They also needed to find the teacher that was dressed up as a character from that book and write down what character they are and what book they are from.

Talking to your child about online safety

Advice on how to start the conversation and get support if you're worried.

Online life and offline life is just life

For many of us, we see our online lives and offline lives as different, but children are growing up with technology and the internet and for them there isn't a difference; online life and offline life is just life.

Technology can move at an extraordinarily fast pace and it can be difficult to know how to start talking to your child about what they're doing online, who they might be speaking to or discussing the potential risks and issues.

Starting the conversation

Talking regularly with your child is the greatest tool to help keep them safe online. Talking regularly and making it part of daily conversation, like you would about their day at school, will help your child feel relaxed. It also means when they do have any worries, they're more likely to come and speak to you.

But it can also be easy to become overwhelmed with the different technology, the language that children use, the huge number of games and apps which are available and the potential risks.

Age-appropriate conversations

A big factor to consider when we're talking to children is age or cognitive ability, which also impacts on the language we use and what we can talk about. As children get older, their needs and behaviour will change, particularly as children are moving through their teenage years and are more prone to risk-taking, mood swings or whether they will even talk to you about something that they may be embarrassed or ashamed about.

For example if you suspect [grooming](#) or [exploitation](#), you may not wish to talk about this directly with a younger child, but instead report directly to [CEOP](#). But you can also use resources such as [PANTS](#) to help with the conversation.

With an older teenager you may be more comfortable talking about these issues. There are some tips in our [Positive Parenting guide](#) and our page on [talking about difficult topics](#) which you may find useful.

Prep Update

	Year 7	Year 8	Year 9
Number of preps completed last week	689	656	576
Epraise points earned	£27.56	£26.24	£23.04
80% + completion	45%	43%	31%

Prep rewards have continued and it's lovely to see so many students still doing 100% of their prep. It's also been great to see many more students attempting prep, after having conversations with students and parents about the importance of continuing to do prep.

Congratulations to the 11 students here → who have really improved their prep completion from Week 1 of detention removal to today. Keep it going! Congratulations too to the 100% students below.

BUT...

We are not going to settle for 45% completion rates.

Completing Prep helps students learn more and get better GCSE grades.

It also helps them move up sets and prevents them moving down.

Please ask your child if they've done their prep and encourage them to complete it.

We don't want to have to reintroduce detentions to get students to complete their prep.

We have very high standards in everything we do, and we want your child to always look as smart as possible. Wearing smart uniform helps to create the right conditions for learning and enables pupils to take pride in belonging to our community.

Now that we are at the midpoint of the academic year, we are noticing that a small number of our students are not wearing their uniform to the same high standards that they started the year with. We recognise that the cost-of-living crisis may be a cause for this. However, we are determined to support you and your child get their uniform back to the high standards that they were earlier this year.. Our students look smart and ready to learn when they are wearing their uniform with pride.

General Uniform List

Item	Standard Expected
Blazer	Maroon academy blazer with academy badge. Sleeves must be worn at full length at all times.
Shirt	A blue long or short-sleeved shirt suitable for a tie. (No fashion blouses—there must be a top button on the shirt with a stiffened collar) Shirts must be tucked in at all times.
Trousers / Skirt	Plain black tailored school trousers (ankle length) or plain black tailored skirt (no denim, jean style, Lycra, cords, combats, leggings, skinny fit trousers, chinos or tracksuits). Skirts should be of an appropriate length, no shorter than 4cm above the knee. <i>(Please take care when buying trousers as many shops sell trousers that are labelled ‘school trousers’ but they will not comply with our Uniform Policy.)</i>
Tights/Socks	Should be black or natural. Socks should be black. Both tights and socks should be plain, not patterned.
Jumper (optional)	An academy jumper can be worn under the academy blazer. This should have the College colour.
Tie	Each College has a different coloured stripe on the tie. Students must wear their tie at all times.
Footwear	A plain black school shoe, no trainers, sandals or boots (this includes Ugg boots, Doc Martins and ankle boots). If students are not wearing the correct footwear they will be expected to borrow a pair of shoes from R12—the shoes will be treated with a hygiene spray after each use. Failure to wear the shoes provided within 10 minutes of the request being made will result in the student being placed into RZone until the end of the day or until uniform is rectified. <div style="text-align: right;"> </div>

Makeup, Nails, Jewellery
 Jewellery should be minimal and not break health and safety rules. No body, facial/head piercings (including tongue piercings) are allowed. Facial piercings will need to be covered with a clear retainer during the Academy day.
 Any use of makeup should be discreet and ONLY clear nail varnish is permitted. Nail extensions/gels are not allowed. If makeup or nail varnish is

considered inappropriate, we will provide removal materials and expect students to comply with the request. Students who fail to comply will be placed in the RZone.
Hair
 Hair should be of a natural colour and sensible, profession style. The academy does not permit extreme hair styles or colours. No slits should be cut into either hair or eyebrows.

Each week we are going to support your student to address any uniform concerns they might be experiencing.
Week 2 (starting 6th March). We will be continuing with our uniform checks. This week we will be focussing on Skirts and trousers and ensuring that all pupils are wearing either a black skirt or a pair of black trousers.

Trousers / Skirt	Plain black tailored school trousers (ankle length) or plain black tailored skirt (no denim, jean style, Lycra, cords, combats, leggings, skinny fit trousers, chinos or tracksuits). Skirts should be of an appropriate length, no shorter than 4cm above the knee. <i>(Please take care when buying trousers as many shops sell trousers that are labelled ‘school trousers’ but they will not comply with our Uniform Policy.)</i>
-------------------------	---

This week: Trouser/Skirt Week 3: Blazer/Shirt Week 4: Footwear Week5: Tie

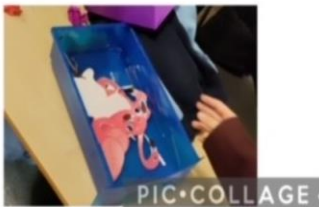

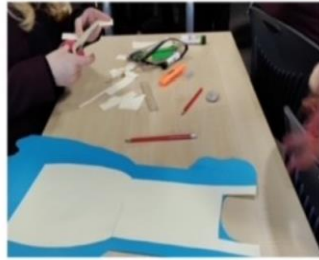

By Easter, all students will be supported so that they can wear full school uniform.

World Book Day
College Competition

Each champion group needs to decorate their champion doors with a book cover!

Staff and students have been working on their World Book day doors! All doors will be judged on Monday 13th March, look out for the winners next week in the newsletter!

Student Voice

The senior council will be meeting with Mrs Wright and Mrs Lawrence on Monday 6th March. They will be discussing the following:
Sustainability, Industry talks, Sex & Relationships education, clubs, corridor culture and the 100 Club.

Sustainability:
Swindon Academy is working towards being more environmentally friendly and working towards a sustainable future?
Are there any recommendations on how the Academy can improve what is already being done?

Industry talks
Swindon and the surrounding area are blessed with wonderful business and industry professionals. What industry talks would you want Swindon Academy to arrange to come in to speak to you?

Is there anything else in terms of industry or careers that you can suggest?

Congratulations to Olivia J in year 7 who will be representing England at the Dance World Cup. Olivia trains at the Swindon Academy of Dance and she will be performing in a number of dances.

Good Luck Olivia – we can't wait to hear the results in July!

Olivia says she is really excited about being part of Team England and having an amazing time with her dance friends.

Tickets can be purchased to see Team England on Thursday 27th April 7pm @ Commonweal school.
Tickets £10
