The rounders season is well underway! The girls have been busy training this week, and the Yr7s played AbbeyPark this week, and despite a loss, the girls are improving every week. Player of the match went to Melissa.

Year 10 option PE students were treated to a zoom call with Caesar Azpilicueta who plays for Chelsea FC. Students took part in a question and answer speaking about how he mentally prepares for a game. What a great experience!

Well done to our PE students of the week: Jewel and Vagan. Both students have been outstanding in PE this week and demonstrated positive sporting values.

The Performing Arts department hosted three primary schools this week in a Lion King themed music festival. We welcomed Year 4 students from Gorse Hill, Ferndale and Sevenfields. Students got the opportunity to take part in making lion king masks with our art department, learnt and sang lion king songs from the musical and experienced a drama workshop with our dance and drama teachers. Students then came together in the afternoon to put on a brilliant performance for their parents and teachers. It was a lovely day, and there were a lot of smiling faces as they left.

Is your child's Attendance below 93%

At Swindon Academy, we expect all students to attend regularly to take full advantage of the educational opportunities available to them. Regular school attendance and educational attainment are inextricably linked.

We recognise that regular attendance at school is essential for good learning and continual progress and ensures that students get the best possible outcomes from their period in compulsory education. All school staff will work with students and their families to ensure each student attends school regularly and punctually.

We expect all of our students to aspire to 100% attendance and appreciate the full support of parents and carers in encouraging this. The minimum level of attendance for this school is 97% we keep parents updated regularly about progress to this level. The school has targets to improve attendance and your child has an important part to play in meeting these targets.

Ensuring your child's regular attendance at school is your legal responsibility and allowing your child to be absent from school without a good reason creates an offence in law and may result in prosecution. Failing to attend this school on a regular basis will be considered as a safeguarding matter. Only the school, within the context of the law, can approve absence. Parents cannot approve absence.

Parents do not have the right to take their child out of school during term time for holidays, and the academy does not have to authorise such absences.

Taking holidays in term time will affect your child's schooling as much as any other absence and we expect parents to help us by not taking children away in school time. There is no automatic entitlement to time off in school time for holidays.

Any period of leave taken without the agreement of the school, or in excess of that agreed, will be classed as unauthorised and will attract sanctions such as a Swindon Borough Council Warning Letter, Fixed Penalty Notice or even a Legal Case Discussion.

Punctuality and Time-management

Time management benefits for students:

The success of a student's time management skills will determine how successful she is in her studies. Time management is not only beneficial for students, but also benefits other areas of your life. Here are some benefits of time management that students can reap:

- Get things done in time
- Less stress
- There is enough time to accomplish things with clarity
- More time to do additional tasks
- Increased Productivity
- Get a good reputation
- Teaching punctuality and time management

Year 10 have been focusing on enzymic browning in apples this week. Enzymic browning is the colour change from pale to rusty brown caused by the action of enzymes within the cells of some fruits and vegetables. They have been using their apples to create apple turnovers!

This is a really high skilled dish and something that they could make as part of their coursework next year. It is a dish made of puff pastry, cinnamon and apples.

A special mention to Katie F who could recall the definition for enzymic browning really confidently. Also to Jay B and George B's turnovers you can see in these photos. Well done to you three!

Photographer of the week

This week this award goes to one of our year 10 photography students – Kezra.

Kezra is a very hard-working student and goes above and beyond to create excellent photographs for her prep. This example is from her current project where she is exploring the vibrant colours found in nature. We can't wait to see more work from you Kezra.

Camp Committee update

Camp committee have been busy this week prepping their tie-dye tee shirts and tote bags ready for camp.

They've also started to compile the playlist for the final evening disco – if you are in year 8 and would like to add your favourite songs, please epraise message Miss Morgan/ Miss Nicholson/ Miss Church with your suggestions.

The Flash the Trash results are in! After a brilliant week of designing, creating and constructing some fabulous outfits from recyclable items, the students and staff took to the catwalk.. We had three judges who were scoring on materials used, overall design and catwalk performance. The final results are below, and congratulations to Bath College who took the win!

We hosted our college Coronation Tea Parties this week. All four colleges had cake, a drink and the opportunity to take part in Coronation Karaoke! There was some brilliant singing to British themed songs and students thoroughly enjoyed themselves.

Charities

Please remember you can donate epraise points to one of our many charities on epraise.

The Year 9 and 10 Prefects travelled down to Alton Close this week to support them in a 'mini marathon'.

The Prefects helped to set up the event and cheered the primary students on their run. They even dressed up as a shark and hotdog to provide some entertainment on the way around the course. The event was to raise money for Barnardo's and money is joined together with the money raised by the Alton Close Headteacher when she ran the marathon.

As we move into term 6 soon, we will be looking to recruit new prefects as our wonderful Year 10 prefects will move into Yr11 in September. This will be open to students in Year 8 only. More information to follow regarding expressing interest and applying for the role.

Year 12 Criminology Students will be visiting Swindon Magistrate Court on 24th May 2023.

On Wednesday 7th June we are taking a number of students to see the Lion King at Bristol Hippodrome.

D of E Bronze pupils will complete their training walk on June 7th.

Year 12

This week Year 12 have had an assembly on Mental Health Awareness week and how students can manage their anxieties. Tuesday was a session on knowing the skills for exams and also planning their week to ensure that they are working hard enough to get the results that they want next summer! Wednesday saw our students enjoying their wellness sessions, making origami animals or letting off some steam playing sport. Thursday was a lively discussion about whether it was better to be a pupil or teacher and then students finished off the week with a Mock the Week quiz going over the headlines, both serious and funny of the week.

Year 13

On Monday Miss Lewis gave the final year 13 assembly on coping with exam stress. Here are her top 6 tips for reducing stress and doing your best:

- 1. Planning not cramming-** Stick to your revision timetable to make the most out of your time
- 2. Eliminate distractions:** put your headphones on and your phones away. Listening to calming music can help you focus. See Miss Lewis' Revision Playlist on the right →
- 3. Recharge-** Schedule in 5-minute breaks every 20-30 minutes. This is the time that is thought to be the perfect increment of revision time. Make sure you are keeping up your social connections and remember to SLEEP!
- 4. Seek Support-** Although study leave starts on the 26th May, the school is open to students and your teachers are here to support you. Don't be a stranger and make sure you come in for a chat if you are feeling burnt out or over-stressed.
- 5. Positive Mental Attitude** – You can and will be able to do this! Acknowledge the small wins and don't let set-backs get you down. Exams do not define you.
- 6. Embrace the Challenge** – Exams ARE scary and stressful, but go towards the fear and use it for motivation. Once that exam is finished you will feel great, especially if you've worked hard before hand!

Department Spotlight: MFL

Spanish: term 5 has been very busy in the MFL department. Our amazing year 11 students had their speaking exams, they worked really hard and we are very proud of them.

Our year 13 also did their speaking exam and we are very please with their performance.

We are now getting ready for the following crucial dates :

- Yr 11 listening and reading exam : 6th June
- Yr 13 listening and reading exam : 7th June
- Yr 11 writing exam : 13th June
- Yr 13 writing exam: 14th June
- Yr 7-10 exams: week 19th June

During term 6 we are going to be watching Coco and Encanto with our year 7 and 8 after school, we are looking forward to watching these funny films with all of you!!

On Friday night a group of 16 students from Year 1 went to Marlborough College for the Hundred Essay Prizegiving ceremony. These students had each written a 2000 word essay on Unsung Heroes. Our students had researched and referenced their essays over the previous weeks and the essays were all of a high quality.

The runners up were Prianna Sandhu who wrote about the Punjabi rapper Sidhu Moose Wala who writes songs about injustices in India before his murder in 2022 and Sylvain Fernandes who wrote about Stanislav Petrov a Russian cold war air force commander who refused to launch nuclear missiles as he believed that the alert he was seeing was an error.

The winner was Andrei Durbaca who wrote about Visili Arkhipov, a Russian Submarine officer who also refused to launch nuclear missiles, and was had previously acted heroically during the K-19 nuclear submarine disaster. Andrei was the winner because his essay had an excellent introduction and clearly defined what it is to be a hero, had detailed research into the events, clearly explained the risks Arkhipov faced and how his actions saved mankind. All the students worked hard on this essay, and it was a pleasure to hear the winners read their essays as part of the ceremony.

Unsung Heroes
The title of this essay is 'The Unsung Heroes of the World'. It is a tribute to the many people who have made a difference in the world but are not widely known. The author discusses the importance of recognizing these individuals and their impact on society.

Mental Health Awareness Week

#ToHelpMyAnxiety

Anxiety disorders involve **more than** temporary worry or fear. For a person with an anxiety disorder, the **anxiety does not go away** and can get worse over time.

[nimh.nih.gov/anxietydisorders](https://www.nimh.nih.gov/anxietydisorders)

Anxiety is a normal emotion in us all, but sometimes it can get out of control and become a mental health problem.

Lots of things can lead to feelings of anxiety, including exam pressures, relationships, starting a new job (or losing one) or other big life events. We can also get anxious when it comes to things to do with money and not being able to meet our basic needs, like heating our home or buying food. But anxiety can be made easier to manage.

Focusing on anxiety for this year's Mental Health Awareness Week will increase people's awareness and understanding of anxiety by providing information on the things that can help prevent it from becoming a problem.

Five ways to Wellbeing

- Connect**

 - Relationships are a key part of being human. Building good relationships can help improve your self-worth.
 - Checking in with a friend or family member can help you feel connected, especially taking it in turns to talk about how you're really feeling.
- Be Active**

 - Being physically active can help reduce symptoms of mental health problems. Finding ways of being active that you enjoy can improve your mood.
 - Even just taking a short walk each day makes a difference.
- Take Notice**

 - Being attentive or 'mindful' in the present moment can help your mental wellbeing. At a simple level this just means noticing what's around you and what you're feeling, rather than worrying about the past or future.
 - Simply focusing on your breath for a few minutes can help you feel calmer.
- Learn**

 - Taking time to try something new or learn new skills can help improve your self-esteem and confidence.
 - Even listening to a podcast or learning a new recipe can make you feel more confident.
- Give**

 - Supporting or helping others can improve your own happiness and give you a sense of purpose.
 - This might include volunteering in your community, helping with chores or just taking time to hold the door open for others.

Every child should have a place to turn to when they need it.

That place can be Childline, where counsellors are there 24/7 to help young people.

Over the past months, as costs of living have risen, families have been under pressure. We know, from calls to Childline, that children are worried too.

Some have had to miss meals, or sleep in cold bedrooms.

Together, we can make sure that Childline counsellors are there to listen and help children through this crisis. Please donate today – anything you give can make a real difference.

“ Knowing young people have a safe space to share their worries and concerns makes me proud to be part of the services Childline offers. ”

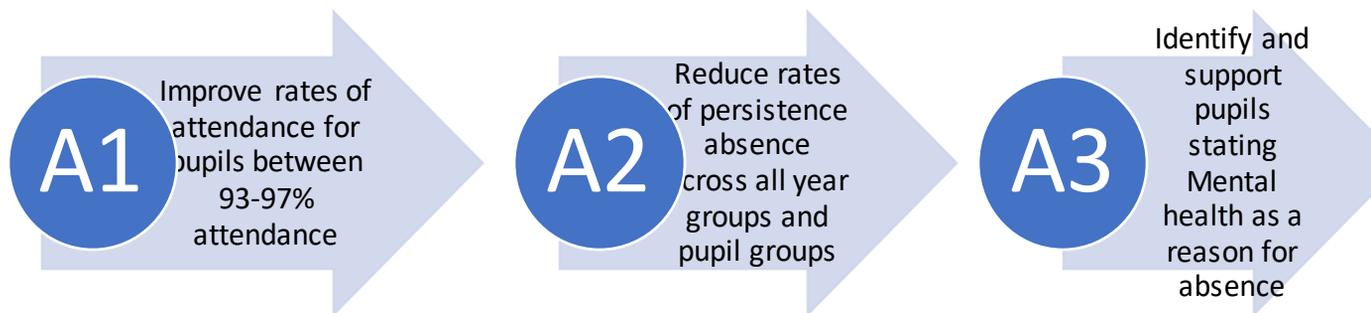

“ My parents are currently struggling with money. They can still pay for basic things but if the rent goes up any more then I worry what might happen. ”

Academy Improvement

A key priority for the Student Support and Development Team is to continue to improve rates of attendance.

Getting in touch with the Academy

How to Access EPRAISE:

- Go to Google search Epraise log in/search
- Please select your school/choose Swindon Academy Secondary
- Go to parents/enter your email (must be the one given to the Academy) & leave password blank.
- You will then receive an email and follow instructions.
- You can also download the Epraise App

EPRAISE

- Is the best way to get in touch.
- We will try and get back to you within 2 days (not weekends)-usually much quicker.
- If you do not get a timely response, please forward your message directly to K.Wright (Head Teacher)
- Please use the table overleaf to direct your message to the most appropriate person:

**IN CASE OF
EMERGENCY**

Emergency Contact

To contact the Academy during the day for reasons that need a quick response please:

- Epraise message P.Pastoral

Or

- Phone Reception 01793 426900 (please be aware that unless it is an emergency, reception will only EPRAISE the most appropriate person.)

Or

- Phone Pastoral Support 01793 4266980 (please be aware that unless it is an emergency, reception will only EPRAISE the most appropriate person.)

To meet with a College Manager/SENCO/Attendance

- Parents can book appointments via EPRAISE to meet with a College Manager during the day every day.
- Parents of SEN students or parents with queries about SEN can book to meet a SENCO on Mondays 2.15pm-3pm, Wednesdays & Fridays 8.50am to 9.30am .
- Parents can book to meet with a member of the Attendance Team between 10am and 11am each day.
- To book go to EPRAISE-Community/Parents Evenings and Select the right event/day.

**PARENT
MEETING**

We will also offer drop-in appointments for parents at the above times. Parents need to be willing to wait to be seen.
