It was a quieter week for fixtures...as the football season draws to a close and the cricket, rounders and athletics season starts.

The Year 11s will play in their Swindon football Cup FINAL very shortly with the date TBC, but opponents will be AbbeyPark.

The girls will begin their rounders season next week, all fixtures are below. Please bear in mind these could change slightly due to weather. They have been busy training to best prepare them for the matches ahead. Anyone else who would like to be involved, please let a member of the PE team know.

Congratulations to the PE students of the week.. Aviane and Imara who have demonstrated whole school values within PE and have demonstrated outstanding commitment, determination and enthusiasm this week.

Attend today - Achieve tomorrow...

Attendance really DOES Matter!

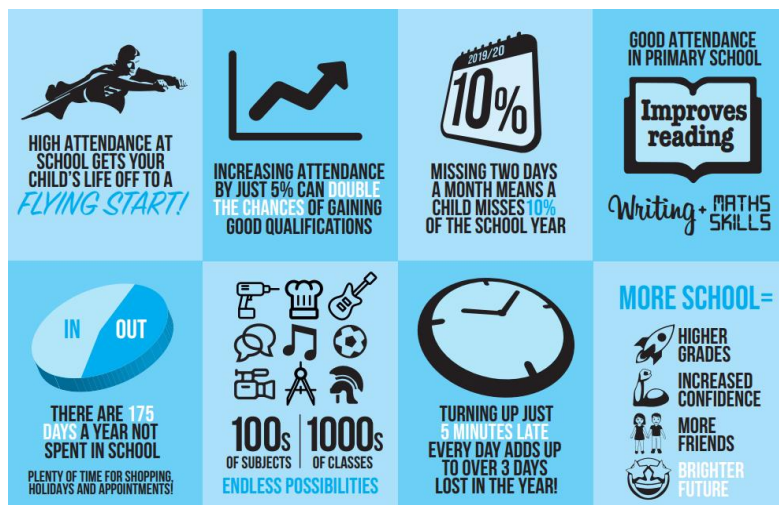

Our AMAZING students and Staff really do make our school such a FANTASTIC place to work and learn in – this is why our Attendance team is so driven to support students and families in raising their attendance levels and reducing absences.

All students who achieve 100% each week are rewarded and receive epraise messages congratulating them. – they may even make into our 100% club.

For those families who's attendance is below 93% we are keen to work with and support. The support and intervention will come in the form of 1:1 meetings, Home visits, daily text messaging, and attendance barrier support plans. Unfortunately, at times we do have to contact Swindon Borough Council for those students and families whose attendance doesn't improve and don't engage with Academy support .

We are committed to working closely with The Education Welfare Team at Swindon Borough Council – This however does sometimes lead to families receiving Fixed Penalty Notices, Warning Letters and prosecution if a student's attendance falls below 90% and shows no sign if improving.

Please do get in touch with Mr Warren via epraise if you'd like some attendance support

We have an exciting college competition coming up very soon: 'Trash to Flash'. Students have been briefed in Champion time, and College Champions have come up with some brilliant design ideas to support their college in gaining as many points as possible on the catwalk. Any recyclable items you have at home which your child can bring into school would be brilliant, and we use and then recycle again afterwards. We look forward to seeing all the creative designs in the next few weeks!

Last week we raised awareness for autism and held a whole school assembly in the sports hall with Mr Oke to learn more. We wore autism awareness stickers and created a fantastic piece of art outside to raise as much awareness as we could.

SMSC / British Values

We look forward to celebrating the Kings Coronation. We will explain to students what this means in Roll Call this week coming and hold celebrations and a college 'tea party' in the following week.

Year 11 Personalised Timetables

A reminder that the summer exam season is nearly upon us with the first exam starting on the 15th May. We are incredibly proud of all year 11 pupils who are demonstrating a real grit and determination to succeed.

We will be issuing personalised timetables to pupils each week during the exam season in Friday assemblies. Please encourage your son/daughter to discuss these with you at home to help prepare for the week ahead.

Macbeth

Year 11 watched a performance of Macbeth on Monday. It was a great opportunity to revise the play before the exam next month. The actors put on a great show and commented on how impressed they were by our students.

After the play, there was an opportunity for some students to perform lines from the play and even practise sword fighting! A very entertaining morning was enjoyed by all, and was followed by an afternoon of revision and study of the play. Well done year 11 for working very hard!

What happened last week in sixth form

Year 13

Year 13 had an Earth Day assembly on Monday, where we discussed some of the impacts of climate change from the slightly silly to the rather alarming. On Tuesday we got political in up for discussion and discussed the positives and negatives of a possible Scottish independence. Wednesday's wellbeing saw students getting outside to play football, whilst the Gas Lands campaigns continued, and other students chose to read independently or play board games. Year 13 students showed responsibility on Thursday by coming into school to complete their timetabled lessons despite the NEU strike action and on Friday Mock the Week quizzed us on this week's highs and lows.

Year 12

On Friday students had talk from the University of south Wales on student finance from university. They learnt about the cost of University applying to for the loan and how to apply for bursaries to support them with the cost of living '

Linking subjects to Careers.

This week the focus is Geography- Is your child curious about the world and its people? Are they interested in finding out about diverse places, people, resources, and natural and human environments- exploring careers that link with Geography could be a starting point! Its never to early to start having conversations that explore careers.... [Careers advice - job profiles, information and resources | National Careers Service](#)

Meteorologist

Alternative titles for this job include Weather forecaster, weather scientist

Meteorologists collect and study data from the atmosphere and oceans to make weather forecasts and carry out research. Lots of subjects can link with this, see below;

You'll usually need a degree in a related subject like:

- physics
- maths
- environmental studies
- **geography**
- computer science

Be inspired.....

Mental Health Awareness Week

#ToHelpMyAnxiety

Anxiety is a normal emotion in us all, but sometimes it can get out of control and become a mental health problem.

Lots of things can lead to feelings of anxiety, including exam pressures, relationships, starting a new job (or losing one) or other big life events. We can also get anxious when it comes to things to do with money and not being able to meet our basic needs, like heating our home or buying food.

Anxiety is one of the most common mental health problems we can face. In a recent [mental health survey we carried out around stress, anxiety and hopelessness over personal finances](#), a quarter of adults said they felt so anxious that it stopped them from doing the things they want to do some or all of the time. Six in ten adults feel this way, at least some of the time. On a positive note, anxiety can be made easier to manage.

Focusing on anxiety for this year's Mental Health Awareness Week will increase people's awareness and understanding of anxiety by providing information on the things that can help prevent it from becoming a problem. At the same time, we will keep up the pressure to demand change - making sure that improving mental health is a key priority for the government and society as a whole.

Academy Improvement Plan

It's that time exciting time of the year where we are starting to think about the ways in which we can make the *quality of education* we provide for all pupils at Swindon Academy even better.

Below is a summary of the areas of improvement we are looking forward to next year;

Introducing 'climbing the mountain' as a way for pupils to connect with our school values

Helping pupils to improve their reading and writing across the curriculum

Giving more opportunities for structured talk in lessons

Encouraging pupils to extend their learning at home

#mountaintosuccess

Department Spotlight:

In the PE department we have 5 PE staff who teach across all key stages. We are part of a larger faculty called 'Performance' which is made up of Drama, Music and Dance. We are all specialist in our areas, and we are lucky to have a trainee PE teacher too who have mentor support from the team. Our main aim to create and foster a love of sport and physical activity, so students will make the right choices in life and continue to participate in sport and physical activity.

As a faculty we would like to take the opportunity to tell parents what students will be studying this term and how best to support your son/daughter with their studies and prep within PE option.

Within Term 5 students in PE will be studying summer sports across all key stages. Here, there will be rounders, cricket, softball, tennis and athletics. Within athletics we will cover track and field events in order to best prepare students for Sports Day in July. There will also be many sporting extra-curricular clubs on offer which link to the summer sports, so please encourage your child to attend. At KS4/5 PE option, we will be continuing to finish our PE coursework in the performance and leadership unit. Please support your child at home to complete the online prep.

If you have any queries around PE and Sport, please feel free to E-Praise message me (Mrs Boucher) and I will reply as promptly as possible.

Getting in touch with the Academy

How to Access EPRAISE:

- Go to Google search Epraise log in/search
- Please select your school/choose Swindon Academy Secondary
- Go to parents/enter your email (must be the one given to the Academy) & leave password blank.
- You will then receive an email and follow instructions.
- You can also download the Epraise App

EPRAISE

- Is the best way to get in touch.
- We will try and get back to you within 2 days (not weekends)-usually much quicker.
- If you do not get a timely response, please forward your message directly to K.Wright (Head Teacher)
- Please use the table overleaf to direct your message to the most appropriate person:

epraise

**IN CASE OF
EMERGENCY**

Emergency Contact

To contact the Academy during the day for reasons that need a quick response please:

- Epraise message P.Pastoral

Or

- Phone Reception 01793 426900 (please be aware that unless it is an emergency, reception will only EPRAISE the most appropriate person.)

Or

- Phone Pastoral Support 01793 4266980 (please be aware that unless it is an emergency, reception will only EPRAISE the most appropriate person.)

To meet with a College Manager/SENCO/Attendance

- Parents can book appointments via EPRAISE to meet with a College Manager during the day every day.
- Parents of SEN students or parents with queries about SEN can book to meet a SENCO on Mondays 2.15pm-3pm, Wednesdays & Fridays 8.50am to 9.30am .
- Parents can book to meet with a member of the Attendance Team between 10am and 11am each day.
- To book go to EPRAISE-Community/Parents Evenings and Select the right event/day.

**PARENT
MEETING**

We will also offer drop-in appointments for parents at the above times. Parents need to be willing to wait to be seen.
