Congratulations to Imperial 7 for having the most E-Praise Points. 319 Points in the last 7 days.

The very first rounders fixtures of the season started this week. The Year 7s played their first match at secondary school, and they did a brilliant job. It was a very close game throughout against The Deanary. The game ended with just two rounders between the two schools, but unfortunately The Deanary took the win. The Player of the Match went to Melissa. Well done.

The Year 8s also had their rounders match this week and played AbbeyPark. They had an equally brilliant match and their game results in an 11-8 win. Player of the Match went to Ava.

Finally, the Year 9 team also played against AbbeyPark. They faced a strong opposition, but the girls were able to score some excellent rounders from their solid batting skills. The score ended 13.5-10 to AbbeyPark. Player of the Match went to Nicole.

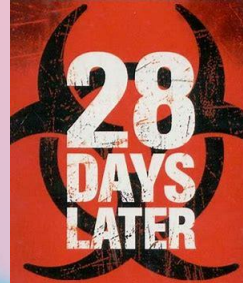

The U16 boys football team played in their Swindon Cup final this week against AbbeyPark. They played an outstanding game, with some great opportunities and chances. The score ended in a 3-0 loss, but it didn't reflect the game. Well done on being runners up boys!

Well done to our PE Students of the Week.. This week we have Riyad and Lexi. Both have demonstrated positive sporting values and been outstanding in sport and PE.

MUSIC

This week, students in year 9 have been learning about techniques composers use to create a tense and scary atmosphere in movies.... beginning with playing the famous theme from 28 days later.

Attendance Matters

Why Is School Important?

1. It Facilitates Learning

The fundamental purpose of education is to ensure the members of a society have a basic education. As a result, this should also be listed as the first reason school is important.

2. It Provides Opportunity To All

Another important part of school is that it provides an opportunity for all people. If we didn't have free public education, then people who couldn't afford an education would not get the opportunity to get ahead in life.

3. It Teaches Personal Responsibility

School helps students practice personal responsibility every time they're given a deadline to meet, a project to complete, or an independent learning task.

4. It Develops Reading And Writing Skills

Reading and writing are two of the most crucial life skills that we all use on a daily basis. It's essential to communication in businesses and personal life. If everyone in society couldn't read or write, communication would be much harder, and we'd all be poorer for it.

5. It Opens Up Careers

In the long term, one of the most important feats of schooling is that it opens up career opportunities for students.

6. Helps Students Develop A Sense Of Self

A lot of students will struggle in some areas of school, and that's completely normal. Struggling through difficult subjects (and achieving success in others) helps you to learn what you're naturally good at, and what you don't particularly enjoy.

Why is it important to be Punctual?

Good punctuality at school is essential for students to achieve their full educational potential. It is also vital for students to form good habits for later life. Punctuality records form part of references passed onto employers or higher educational institutes.

All students are expected to arrive punctually for school in the morning and to arrive punctually for each lesson. A register is taken at the start of the day and during each lesson. Students arriving late are recorded as thus on the register, along with how many minutes late they are.

Photography exam

This week, our year 11 and 13 photography exams sat their final 10/15-hour exams. All students did themselves proud with the work produced and we couldn't be more pleased with what they produced. Well done !! Unfortunately, we aren't allowed to share any images of the work they produced until after results.

Art, photography and textiles moderation – year 11 and 13

Mrs Morgan and Mrs Nicholson are currently very busy marking and assessing your work. Moderation for art, textiles and photography will take place on 23rd and 24th March . We are hopeful to be able to share predicted marks with you shortly after this. We will be asking you to acknowledge you have received these marks so please look out for a letter and an epraise message about this with details.

Year 10 observational drawings

Take a look at some of the observational studies year 10 art students have been working on in lesson. Although not completely finished, we think they are coming along nicely! Great work year 10!

Thank-you to all the students who showed respect and listening skills whilst our guests were talking.

WHAT ABOUT PARENTS...

Parents can sometimes be held responsible if their children get in trouble with the police. If children are repeatedly in trouble and parents don't take reasonable steps to control their behaviour the parents could be:

- asked to attend a parenting programme
- asked to sign a Parenting Contract
- given a Parenting Order by a court

This is to support parents in stopping their children from getting in trouble again. Usually they are voluntary, but sometimes it is made more formal by a court.

DID YOU KNOW...

- Police can stop and search someone they think is carrying a knife or weapon.

- Police can come into schools and search for knives if they think the law is being broken.

- Head teachers have the power to search pupils for weapons in line with the Violent Crime Reduction Act 2006.

NO KNIFE SAFER LIFE

Everyone has the right to live a life free from fear and violence.

This week all Swindon Secondary Schools are raising awareness about the impact of Knife Crime. Due to our Coronation Celebrations this week we will be covering this in Champion Time and PSHC next week.

KNIFE CRIME

Everyone has the right to live a life free from fear and violence.

We all have a duty and responsibility to keep each other safe from violence, and expect that our friends, family and children won't be carrying weapons.

Any incident where a knife or weapon has been carried or used with the intention to harm is a concern to us and police will investigate.

Knives are an everyday object but used for the wrong reasons they can be life threatening.

Most young people and adults don't carry a knife or weapon; it is not a normal thing to do.

A small number of people do find themselves involved in knife crime but despite these numbers being small, the effects of knife crime can reach a lot of different people. Innocent bystanders can get caught in the middle of other people's disputes and suffer trauma, serious injuries or worse. A wound in the arm or the leg can still be life threatening.

If you carry a knife it doesn't just affect you it will affect your family and friends. It will affect your parents or children, especially if you were to go to prison, or worse killed.

Carrying a knife is illegal in the UK and the consequences are tough. If you're found with a knife in your possession even if it is not yours, the Police and the courts will take firm action. Possession of a knife can carry a prison sentence of up to four years, even if it's not used.

If you carry a knife you are more likely to be injured. You are safer not carrying a knife.

THE LEGAL BIT...

- It is illegal to carry a knife, blade / sharp point or offensive weapon in a public place. You can be arrested for this.
- If someone is injured or killed by a knife in your presence, even if you are not the one using the weapon, you too could be prosecuted and sent to prison for murder in what is referred to as 'joint enterprise'.
- It's illegal for a shop to sell any kind of knife to someone under 18. This includes kitchen knives and even cutlery.
- It's illegal for shops to sell imitation guns or air weapons to anyone under 18-years-old, or to sell realistic imitation guns to anyone. It is also an offence to buy imitation guns.

- Some knives are illegal for anyone to buy:

- Flick knives - also called 'switchblades' or 'automatic knives'
- Butterfly knives
- Disguised knives - in which the blade is hidden in something like a belt buckle or fake mobile phone.

These are all categorised as offensive weapons ("any article made or adapted for use to cause injury to a person, or intended by the person having it with him for such use") and are completely banned.

AGE OF CRIMINAL RESPONSIBILITY...

In England and Wales, the age when you are criminally responsible for your actions is 10 years old. Children between 10 and 17 can be arrested and taken to court if they commit a crime.

Children under 10 who break the law are treated differently to adults or youths under 18 who commit a criminal offence. Children under 10 cannot be charged with committing a criminal offence. However, they can be given a:

- Local Child Curfew
- Child Safety Order.

Children under 10 who break the law regularly can sometimes be taken into care, or their parents could be held responsible.
