Well done to you all, Mrs Thomas and Miss Hicks are very proud of what you achieved and how hard you worked.

## Welcome to..... Baby Patrick!

A very special welcome to Baby Patrick this week.

HIGH ATTENDANCE AT SCHOOL GETS YOUR CHILD'S LIFE OFF TO A FLYING START!

## ATTENDANCE MATTERS!!!!

More than ever.....

MISSING TWO DAYS A MONTH MEANS A CHILD MISSES 10% OF THE SCHOOL YEAR

### Role of Parents and Carers in Promoting Good Attendance

Swindon Academy is keen to work in partnership with pupils, parents and external agencies where necessary to ensure educational entitlement and regular attendance. The taking of holidays during the school terms is strongly discouraged, it is hoped that parents will help in the following ways:

- Not letting their daughter take time off school for minor ailments
- Arranging appointments and outings after school hours, or as late as possible in the afternoon, at weekends or during school holidays
- Not taking holidays during term time.

### Attendance and Attainment

Two of Swindon Academy key values are "Work Hard" and "Take Responsibility". These values support and lead directly into our attendance policy. Evidence proves that there is a direct correlation between a student's attendance and their attainment.

FFT Aspire, a respected educational body which analyses pupil results and pupil progress has analysed GCSE results against student attendance nationally for all schools in Summer 2019 and found that only 33% of students with below 90% attendance achieved a grade 4 and above in English and Math's compared to 81% of students with 98-100% attendance, thus proving that good attendance equals good grades.

In addition, FFT Aspire has produced further analysis showing the correlation between good attendance and student attainment focusing on student progress, for example, showing students with 100% attendance achieved in 2019 exams almost a whole grade above the national average.

Every 1% Attendance above 90% can improve your child's grade by .1 of a grade – this could be the difference between them:

- Having to re-sit an English or Maths GCSE
- Being accepted onto a UCSF or College Course or Apprenticeship

INCREASING ATTENDANCE BY JUST 5% CAN DOUBLE THE CHANCES OF GAINING GOOD QUALIFICATIONS

# PUNCTUALITY

IF ANY OF THESE SOUND FAMILIAR THEN IT'S TIME TO FIX YOUR TIMEKEEPING!

My alarm clock exploded and I slept through it.

I was abducted by aliens - look I've got a note to prove it!

I'm fairly sure school starts at 10:00 - maybe I'm early?

The bus driver got off at the stop before mine.

**5 minutes late per day,**  
every day of the week adds up to 3 days of lost school time.

10 minutes  
=  
6.5 days  
lost per  
school  
year

15 minutes  
=  
10 days  
lost per  
school  
year

20 minutes  
=  
13 days  
lost per  
school  
year

30 minutes  
=  
19 days  
lost per  
school  
year

## WHAT TO DO THE NIGHT BEFORE

- Get everything you need for school ready.
- Set your alarm with plenty of time to spare.
- If you bring your lunch to school - make it now.
- Turn off electronic devices 30mins before sleep.
- If you use your phone before bed download a blue light filter app to look after your eyes.
- Remember that people aged 11 - 16 need 8 - 10 hours of sleep!

## WHAT TO DO IN THE MORNING

- Get out of bed as soon as your alarm goes off.
- Have a shower first thing - it will wake you up!
- Have a nutritional, but quick, breakfast. Fruit, toast and healthy cereals are perfect and will give you enough energy to last to lunch time.
- Keep an eye on the clock and don't waste time.
- If you wait for friends, don't wait if they are late.
- If you're late - don't make excuses - we've heard them all before and honesty works much better!

Azone students have been making Easter items to share with homes over the holidays.

Yummy Easter Rocky roads and Easter fluffy rabbits to share.

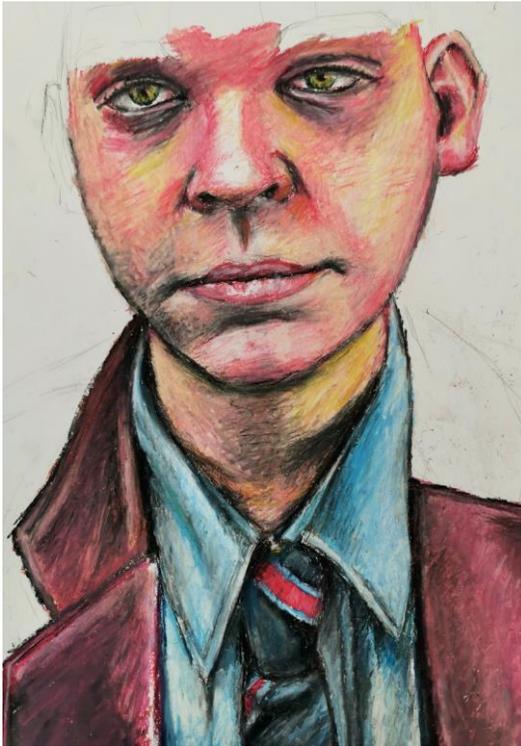

**Year 7 Visit to St Mary's Church**

Year 7 made the annual trip to a local church. They had a lesson on the meaning and importance of the Christian festival of Easter. Students were able to explore the church and learn about its history in our community.

A student said 'I really enjoyed looking at the stained-glass windows and found learning about the story of Jesus dying on the cross really interesting. I also enjoyed the free doughnut and drink!'

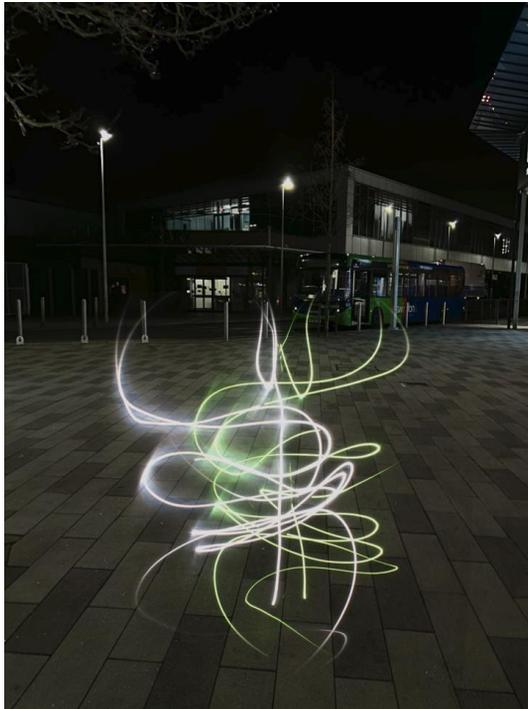

## Artists of the week

We are pleased to share with you some examples of artworks from the end of the year 10s portrait project. Students have been learning to enlarge an image to create a final piece, responding using their favourite mediums and artistic influences. Heloisa P has been working towards a stunning self -portrait using excellent tonal shading techniques. Marcel S has been masterfully blending oil pastels to create his expressive self -portrait. We are really impressed with the quality of the work. Well done!

## Photographer of the week

If there is a genuine issue with uniform then pupils need to speak to their College Manager between 8am and 8.15am. If pupils do not do this and their uniform is not correct at Roll Call then a detention will be issued.

There is a member of the Pastoral team working each day throughout the Easter Holiday between 10am and 2pm. Please message them using P. Pastoral on Epraise so they can assist you with any queries.

As we enter a new school term please remind your children about keeping themselves safe as they walk to and from school.

# PEDESTRIAN SAFETY

BY THE NUMBERS

## THE GOOD NEWS IS

## Most at risk are TEENS

In the last five years, injuries among 16-19 year olds **increased 25%** over the previous five years

Could digital devices be a cause?

**75%** of 12-17 year olds owned cell phones in 2009, up from 45% in 2004

## WALK SAFELY

**61** kids are hit by cars every day in the United States. Every one of these injuries is preventable. Learn how at [safekids.org](http://safekids.org)

### Top Tips

- 1 Teach kids at an early age to look left, right and left again before crossing the street. Then remind them to continue looking until safely across.
- 2 Teach kids to put phones, headphones and devices down when crossing the street. It is particularly important to reinforce this message with teenagers.
- 3 It's always best to walk on sidewalks or paths and cross at street corners, using traffic signals and crosswalks. If there are no sidewalks, walk facing traffic as far to the left as possible.
- 4 Children under 10 need to cross the street with an adult. Every child is different, but developmentally, most kids are unable to judge the speed and distance of oncoming cars until age 10.
- 5 Be a good role model. Set a good example by putting your phone, headphones and devices down when walking around cars.

Teach kids to make eye contact with drivers before crossing the street.

## College Competitions

We look forward to another exciting College competition in Term5: **Flash the Trash**. The competition is on the theme of sustainability and recycling. Colleges will use recyclable items to make the best outfit, and a selected tutee will model their design on a catwalk. We look forward to seeing some fab designs.

We also look forward to celebrating the **Kings Coronation** in May. We will look forward to displaying banners and bunting around the Academy in preparation and holding some exciting activities in Champion time.

## Charities

Donate to Walk4Autism

As part of Autism Awareness month, a year 9 student is completing 5km a day in steps, please donate via epraise. Go to epraise – Community and then Charities.
