

Year 10

Y10 Explore: Discovering more about the day-to-day reality of working life and possible role types		
PSHE Topics	Events	Outcomes
What is a business success and failure Not for profit businesses Rights and responsibilities at work Problems at work Living on minimum wage Technology in the workplace	Work Inspiration week (CV writing workshop, mock interviews, workplace conference and mentoring with local business people) Honda Workplace visit BP Workplace visit Spotlight on careers events Green Pioneer Project University Challenge 'A Day in the life of' Tour Cameron Parker Talk Marlborough College Residential Biomedical Science Day Lauren Steadman Talk Science...get me out! Women in engineering	This is the first year students will work at an external business workplace, as well as learning how to prepare for this, they will also be thinking about they portray themselves at this event. Students will have many more opportunities to attend workplace visits during Year 10-13 and we find the more businesses they have visits, the better decisions they're able to make about their own career paths.
