

Y13 Preparation: Time to put all you have learnt in to practice as you take the next step in your careers

PSHE Topics	Events	Outcomes
Level 3 Mindset Highway code/Driving Addiction The Kid and I (mental health) Mindset practice Disability awareness	Regular in school industry insight talks Spotlight on careers events Jobfest UCAS University Exhibition University First taster days Girls in STEM University Challenge	We hope that all their previous experience will result in students having an excellent understanding of the career paths available to them based on their own personal interests, strengths and skills. They will know the requirements of this industry and be able to make an informed decision about whether or not university or an apprenticeship is the right choice for them. Students will have the opportunity to attend several events around both pathways to further assist them in their decision making.
