

## Year 8

Y8 Aspire: Exploring interests, skills and qualities in relation to careers and occupations		
PSHE Topics	Events	Outcomes
Nature of work Dream careers Enterprise and entrepreneurs Which job What's out there What options will I do	STEM Energiser challenge University Challenge Jamie's Farm Visit Youth Adventure Trust Festival of Literature	In Year 8, students will be thinking about more than just what a career is, they will be putting this in to context with their own interests, strengths and skills. They'll be discovering where their personal strengths could fit within the workplace and how they can access this as a career path within the future.
