

Year 9

Y9 Develop: Making a good first impression, thinking about how attitudes and behaviours effect the workplace and how each decision can affect your journey		
PSHE Topics	Events	Outcomes
Bank accounts Savings/debt/budgeting Global issues (sweatshops) What influences our spending Consumer rights	CSW Mentoring Scheme Spotlight on careers events Marlborough College Residential Girls in STEM Oxford Brookes Study Higher Residential University Challenge 'A Day in the life of' Tour Cameron Parker Talk Youth Adventure Trust Science...get me out!	Students will now have a better understanding of their strengths and potential careers paths, during Year 9 they will start to think about how their attitude, work ethic and behaviours will effect where they want to go. During this year, students will select their GCSE subject options and will have a background knowledge, as well as ongoing support available to them, about where these options might lead in the future.
